Part 2: Your rights and responsibilities

Duty of disclosure

You must comply with **Your** Duty of Disclosure when **You** apply for insurance with **Us** and each time **You** renew or alter **Your** cover.

You have a duty of disclosure to tell **Us** everything **You** know or should know, that is relevant to **Our** decision to insure anyone under the policy, including **You**, and on what terms.

It includes matters **We** specifically ask about when **You** apply for a policy, or renew or alter **Your** policy, and any other matters which might affect whether **We** insure **You** and on what terms.

The information **You** tell **Us** can affect:

- ▼ the amount of **Your** premium and **Your** excess;
- ▼ if **We** will insure **You**;
- ▼ if special conditions will apply to **Your** policy.

You do not need to tell **Us** of anything which:

- ▼ reduces the chances of **You** making a claim;
- ▼ **We** should know about because of the business **We** are in; or
- ▼ **We** tell **You** **We** do not want to know.

If **You** are unsure it is better to tell **Us**. If **You** do not tell **Us** something which **You** know or should know is relevant, **We** might reduce a claim, refuse to pay a claim, cancel **Your** policy or, if fraud is involved **We** can treat the policy as if it had never existed.

The duty of disclosure applies to every person or organisation insured under the policy. If **You** fail to comply with **Your** duty of disclosure **We** may be entitled to reduce **Our** liability under the contract in respect of a claim or may cancel the contract. If **Your** non-disclosure is fraudulent, **We** may also have the option of avoiding the contract from its beginning.

Not meeting your responsibilities

If **You** do not meet with **Your** responsibilities outlined in **Your** policy, or if **You** do not tell **Us** everything relevant to **Our** decision whether or not to insure **You**, or if **You** mislead **Us**, **We** can refuse to pay a claim or reduce the amount **We** pay or cancel **Your** policy.

If fraud is involved, **We** can treat **Your** policy as if it never existed.

Cooling off period

You have the right to cancel and return the insurance policy or a section of the policy by notifying **Us** in writing within 30 days of the date it was issued to **You** ("cooling off period"), unless **You** have a claim under the policy within the cooling off period.

If **You** cancel it in this time, **We** will return the amount **You** have paid.

In addition, if **You** vary **Your** policy and add a section, **You** have the right to cancel that section within 30 days of the date it was added by notifying **Us** in writing ("additional cooling off period") unless **You** make a claim under that section within the additional cooling off period. If it is cancelled in this time, **We** will return the amount **You** have paid for that section.

To cancel at other times, please see "Cancelling Your Policy" on page 1 Part 4.

The amount of your premium

The premium is the amount **You** pay **Us** for this insurance. It includes stamp duty, GST, other government charges and fire services levy (FSL) that applies. **Your** premium is shown on **Your** policy schedule.

In addition to the factors **We** use to calculate **Your** premium, the discounts **You** qualify for also affect **Your** premium. **Your** premium includes any discounts **You** qualify for and these are applied before adding applicable government charges.

The premium does not include any service or administration fee charged to **You** by **Your** insurance intermediary.

We might advertise special offers and benefits from time to time. If **We** have a special offer available that is not in this PDS, **We** can give **You** a separate terms and conditions brochure about the offer if **You** ask **Us**. These offers might be short-term and **We** can withdraw them at anytime.

Paying your premiums

We will tell **You** how much **You** have to pay and how much time **You** have for payment.

You must pay **Your** premium by the due date. For the first **period of insurance**, if **You** do not pay the premium owing by the due date, **We** can cancel **Your** policy as set out in "Cancelling your Policy" on page 1 Part 4.

For renewal policies, if **You** do not pay **Your** premium by the due date, then the renewal policy will not commence and **Your** cover will end at the expiry of the previous **period of insurance**.

Claims made and notified basis of cover

The Management liability cover section (excluding Optional cover Employee Dishonesty) is issued on a 'claims made and notified' basis. This means that the Management liability cover section (excluding Optional cover Employee dishonesty) responds to:

- (a) claims first made against **You** during the **period of insurance** and notified to **Us** during the **period of insurance**, provided that **You** were not aware at any time prior to the policy inception of circumstances which would have put a reasonable person in **Your** position on notice that a claim may be made against him/her; and:
- (b) written notification of facts pursuant to section 40(3) of the Insurance Contracts Act 1984. The facts that you may decide to notify are those which might give rise to a claim against **You**. Such notification must be given as soon as reasonably practicable after **You** become aware of the facts and prior to the time at which the policy expires. If **You** give written notification of facts the policy will respond even though a claim arising from those facts is made against **You** after the policy has expired.

For **Your** information, s40(3) of the Insurance Contracts Act 1984 is set out below;

"S40(3) Where the insured gave notice in writing to the insurer of facts that might give rise to claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of the claim when made by reason only that it was made after the expiration of the **period of insurance** cover provided by the contract."

When the **period of insurance** expires, no new notification of claims or facts can be made on the Management liability cover section (excluding Optional cover Employee dishonesty) of the expired policy even though the event giving rise to the claim against **You** may have occurred during the **period of insurance**. An exception to this is under the Automatic Discovery Period Additional Benefit in the Management liability cover section, if any, under which some cover for new notification of claims or facts is available.

Excess

This is the amount **You** have to pay if **You** suffer loss, damage or liability which leads to a claim under **Your** policy.

The amount and type of excess that applies to **Your** policy is shown either in Part 4 of this booklet or on **Your policy schedule**.

If **You** claim under more than one section of **Your** policy for one incident or event, then **You** only pay the highest excess that applies unless expressly stated otherwise in the policy. For example, Additional benefits may have their own excess which may be in addition to any excess that may apply to a claim.

Fraudulent claims

If **You** or anyone acting on **Your** behalf or with **Your** knowledge makes a claim that is false or causes loss or damage deliberately, **We** may do one or more of the following:

- ▼ refuse to pay a claim;
- ▼ cancel **Your** policy;
- ▼ take legal action against **You**.

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the extremely unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA by:

- ▼ Telephone: 1300 55 88 49
- ▼ Website: www.apra.gov.au

General Insurance Code of Practice

We support and adhere to the General Insurance Code of Practice. A copy of the Code can be obtained from the Insurance Council of Australia by:

- ▼ Telephone: (02) 9253 5100 or
- ▼ Website: www.insurancecouncil.com.au

Terrorism Insurance Act 2003

Some sections of this policy exclude cover for losses as a result of terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then **You** may be afforded protection within the limits of indemnity of this policy by virtue of the Terrorism Insurance Act 2003. The operation of this Act may also serve to reduce the settlement of **Your** loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

A more detailed explanation of the operation of the Terrorism Insurance Act 2003 can be obtained at www.arpc.gov.au.

Updating information

The information in this PDS and Policy Wording was current at the date of preparation. Vero Insurance may update some of the information in the PDS and Policy Wording that is not materially adverse from time to time without needing to notify **You**. **You** can obtain a copy of updated information by contacting **Us**. **We** will give **You** a free paper copy of any updates if **You** request them. If it becomes necessary, **We** will issue a supplementary or replacement PDS.

Part 3: Information for some policyholders only

This part applies to **You** if **You** chose cover for:

- ▼ **vehicles** (not exceeding 2 tonnes) under the Commercial motor cover section; or
- ▼ a **home building** under the Property damage, Theft and/or Glass cover sections and **You** are an individual or a small business.

You need to read this part if it applies to **You**.

Home building means a building which is used or intended to be used principally and primarily as a place of residence.

An example of what is considered a **home building** is where the building is a commercial premise but **You** may also live in the building, or **You** rent part of the building for residential use.

If the building is only used by **You** for residential purposes, it cannot be insured under this policy.

The amount you pay for the property damage, theft and glass cover sections (for a home building) or the commercial motor cover section

The premium is the amount **You** pay **Us** for this insurance. The premium payable by **You** will be shown on **Your policy schedule**. Premiums include applicable Commonwealth and state taxes and charges. These include the Goods and Services Tax and stamp duty. The amount of these taxes and charges will be shown on **Your policy schedule**.

If **You** change **Your** policy **You** may be entitled to a partial refund of premium or be required to pay an additional premium.

How various factors may affect your premium

The following table is a guide to the significant factors which impact generally on **Your** premium in relation to the Property damage, Theft and Glass cover sections (for **home building**).

Factor	Lower premium	Increases premium
Insured amount	Lower insured amount	Higher insured amount
Postcode	Low risk postcode	High risk postcode
Optional covers	None taken	All taken
Claims experience	Low claims experience	High claims experience
Voluntary excess	Higher	Lower
Our expenses of doing business including payments We make to intermediaries	Low expenses	High expenses
Endorsements	Reduces Our risk or Your cover	Increases Our risk or Your cover

The following table is a guide to the significant factors which impact generally on **Your** premium in relation to the Commercial motor cover section.

Type	Lowers premium	Increases premium
Type of cover	Legal liability only	Comprehensive
Type of vehicle	Low risk vehicle	High risk vehicle
Market or agreed value	Market value	Agreed value
Vehicle accessories/modifications	None specified	Accessories and modifications that increase the risk of insurance
No Claim Bonus	Higher rating	Lower rating
Vehicle use	Low risk use	High risk use
Radius	Smaller radius of operation	Australia wide
Insured amount	Lower insured amount	Higher insured amount
Postcode	Low risk postcode	High risk postcode
Claims experience	Low claims experience	High claims experience
Optional covers	None taken	One or more taken
Voluntary excess	Higher	Lower
Occupation	Low risk occupation	High risk occupation
Our expenses of doing business including payments We make to intermediaries	Low expenses	High expenses
Endorsements	Reduces Our risk or Your cover	Increases Our risk or Your cover

When determining **Your** premium **We** also take into account the age of the **vehicle** and the age of the drivers. These factors may lower or increase the premium depending on whether they mean there is a higher chance of **You** making a claim and if so, for how much.

Why the cost of insurance can change

Your insurance premium can change during **Your period of insurance** if the circumstances or risks covered by **Your** policy change. For example, **Your** premium will change if **You** change the use of **Your premises** or add new covers to **Your** policy. Also, each time **You** renew **Your** insurance **your** premium is likely to change, even if **Your** circumstances or the risks covered by **Your** policy have not changed.

This is because premiums are affected by:

- ▼ the total cost of current and future claims;
- ▼ the cost of claims **We** expect to pay in the future;
- ▼ any changes in government taxes or charges;
- ▼ **Our** expenses of doing business;
- ▼ whether indexation is shown on **Your policy schedule**.

We may “cap” the amount of any increase on renewal, so that **We** pass only part of the increase on to **You**.

Premium discounts

At times, **We** may offer premium discounts to particular customers – for example, those who take out insurance within a specified period, or people who have multiple policies with **Us**.

The amount and type of discounts can change over time. **We** can vary or withdraw a discount at any time. Changes will not affect the premium for an existing policy during its current **period of insurance**.

For details of any discounts that may be available and the dollar difference these would make to **Your** premium, please ask **Us** when **You** obtain a quote or before renewing **Your** policy.

Excesses

If **You** make a claim **You** may be required to pay one or more excesses. The description of those excesses and the circumstances in which they are applied are shown in the relevant Policy Wording in Part 4 of this booklet under 'Excess' or in the **policy schedule**.

Business property, theft and glass cover sections: Excesses

The amount of **excess** applying to each of these sections is shown on **Your policy schedule**. **We** take into consideration a number of factors when setting the amount of **Your excess**, such as:

- ▼ **Your** occupation;
- ▼ any voluntary excess that **We** may allow **You** to choose;
- ▼ **Your** claims history; and
- ▼ any additional risk factors that are unusual or unique to **Your** business circumstances.

Commercial motor cover section: Excesses

There are a number of **excesses** which apply to this section. The amount of each **excess** (other than the basic **excess**) is shown in the Policy Wording that applies to Commercial motor cover section in Part 4 of this booklet. The amount of the basic **excess** will be shown on **Your policy schedule**.

We take into consideration a number of factors when setting the amount of **Your** basic **excess**, such as:

- ▼ the make, model and type of **vehicle** being insured, including modifications made to the **vehicle**;
- ▼ any voluntary excess that **We** may allow **You** to choose;
- ▼ the age and driving experience of people who will be driving the **vehicle**;
- ▼ the **insured amount** of the **vehicle**;
- ▼ where and how the **vehicle** is used;
- ▼ the type of cover chosen;
- ▼ the place where **Your vehicle** is garaged;
- ▼ **Your** previous insurance and claims history; and
- ▼ Optional cover, extra covers, additional benefits and **endorsements**.

Part 4: Your policy terms and conditions – Important information

General policy conditions

The following general conditions apply to all sections of this **policy** unless expressly stated otherwise. Breach of a condition or warranty without **Your** knowledge or consent or error in name, description or situation of property will not prejudice **Your** rights under this **policy** provided notice in writing is given to **Us** when such breach or error comes to **Your** knowledge. Reasonable extra premium shall be paid if required, from the date of such breach or error.

Accountancy records

You must provide to **Us** all books of account, business books and other documents as may be required to investigate or verify claims. If **You** do not, **We** may refuse to pay or may reduce the amount of a claim.

Acquisition of companies

Provided that **You** notify **Us** in writing within 30 days of the acquisition of:

- (a) any company or other legal entity acquired during the **period of insurance**; or
 - (b) any property or liability associated with such company or any other legal entity or business undertaking or operation;
- and the business is of a similar occupation to that stated in the **policy schedule**, **We** will provide cover subject to **Your** acceptance of **Our** terms and undertaking to pay the additional premium **We** may require. **Our** liability shall not exceed the **insured amount**, limit of liability, or any sub-limit of liability applicable under the relevant **policy section(s)** making up **Your policy** for each category of property.

Bankruptcy or insolvency

In the event that **You** should become bankrupt or insolvent, **We** shall not be relieved thereby of the payment of any claims hereunder because of such bankruptcy or insolvency. In case of execution against **You** of any final judgment covered by this policy being returned 'unsatisfied' by reason of such bankruptcy or insolvency, then an action may be maintained by the injured party or their representative against **Us** in the same manner, and to the same extent as **You** but not in excess of the limit of liability.

Cancelling Your policy

How You may cancel

You may cancel the policy or a **policy section** at any time by telling **Us** that **You** want to cancel it. **You** can do this by giving the notice to **Your** Steadfast broker.

How We may cancel

We may only cancel a **policy** when the law says **We** can. Such cancellation shall take effect at the earlier of the following times:

- (a) the time when another policy of insurance between **You** and **Us** or some other insurer, being a policy that is intended by **You** to replace this policy, is entered into; or
- (b) at 4.00 pm on the thirtieth (30th) business day after the day on which notification was given by **Us**.

We will cancel **Your policy** by telling **You** so in writing, either in person or by post to **Your** last known address. **We** will return the premium that **You** have paid for the rest of the **period of insurance** (along with GST and any relevant charges where this is allowed).

In relation to the Commercial motor cover section of this **policy**, if **We** pay the **market value** or **agreed value** as a result of a total loss, then **Your** cover for that **vehicle** comes to an end without refund of any premium. If this is the only **vehicle** insured by this policy, then the Commercial motor cover section of the policy will come to an end.

Paying by instalments

If **We** agree that **You** can pay **Your** total amount in a number of payments instead of all at once, this is paying by instalments.

If **You** are one month (or more) late in paying an instalment, **We** may cancel **your policy**.

Premium funders

If the premium has been funded by a premium funding company which holds a legal right over the **policy** by virtue of a notice of assignment and irrevocable power of attorney, the return of premium calculated on the basis set out above will be made to the premium funding company.

Change to risk

Our decision to insure **You**, and the premium that **We** charge **You**, is based on information provided by **You** about **Your business**, and the risks to be insured under this policy. **Your** insurance, including the amount of premium, may be affected if any of the facts or circumstances that existed at the start of the policy change during the **period of insurance**, including, for example:

- (a) the nature of or type of **business** carried on by **You** or **Your** tenants;
- (b) other circumstances that affect the **premises** or the **property insured** in such a way as to increase the risk of damage or losses;

- (c) **You** interest in the policy ceases, including by operation of law;
- (d) the **business** is wound up or carried on by an insolvency practitioner or permanently discontinued;
- (e) details of any conversion or modification to **Your vehicle** made by someone other than the manufacturer. For example, if **You** give your **vehicle** wide tyres or wheels, or lower its suspension;
- (f) if there is anyone under the age of 25 years who is likely to be a regular driver of the **vehicle**;
- (g) change of **Your** address, **Your vehicle**, **Your vehicle's** garage post code or the way **You** use **Your vehicle**.

You must immediately notify us of any changes to (a), (b), (c), (d), (e), (f) or (g) or any other changes that may increase the risk insured under **Your** policy.

If **You** are a property owner insuring **buildings** that **You** lease, our decision to insure **You** and the premium **We** charge **You** will take into account information about **Your** tenants and how the **building** is used that **You** tell us when **You** apply for a policy with us, during the **period of insurance** and at each renewal. For this reason it is important that **You** tell us as soon as these things change.

For example, if **Your building** has three tenants (an accountant's office, a jeans retailer and a sandwich bar) **We** will calculate **Your** fire premium on the sandwich bar, as it is more hazardous than either of the other two occupations. If during the **period of insurance** the sandwich bar closes down and a menswear shop open, then **You** must notify **Us** of the change and **We** will calculate **Your** fire premium either using the jeans retailer or menswear occupation.

If **We** agree to continue to insure **You** after **You** have told **Us** of the changes **You** tell **Us** about **We** will confirm this in writing. In some cases, **We** may only agree to continue to insure **You** under this policy if **You** agree to pay **Us** additional premium.

Designation of property

For the purpose of determining under which item any property is insured, **We** agree to accept the designation under which such property appears in **Your** books of account.

Provided always that this condition shall not apply to the Theft cover section with respect to tobacco, products containing tobacco, cigars, cigarettes and alcohol.

Under the Theft cover section, stock does not include tobacco, products containing tobacco, cigars, cigarettes or alcohol unless they are specified on the **policy schedule**.

How Goods and Services Tax (GST) affects any payments **We** make

In the premium, **We** will charge **You** an amount on account of GST.

You must inform **Us** of the extent to which **You** are entitled to an input tax credit (ITC) for that GST amount each time that **You** make a claim under this policy. No payment will be made to **You** for any GST liability that **You** may have on the settlement of a claim if **You** do not inform **Us** of **Your** entitlement or correct entitlement to an input tax credit.

Despite the other provisions of this insurance (including provisions in the Policy Wording, the **policy schedule** and any **endorsement**), **Our** liability to **You** will be calculated taking into account:

- (a) any input tax credit to which **You** are entitled for any acquisition which is relevant to **Your** claim, or which **You** would have been entitled were **You** to have made a relevant acquisition; and
- (b) also for claims for business interruption only, the GST exclusive amount of any supply made by **Your** Business which is relevant to **Your** claim.

In respect of loss or damage to **Your vehicle**, if **Your vehicle** is a total loss and **You** have chosen the **agreed value** option, **We** will not deduct any input tax credit entitlement from the amount of the **agreed value** shown in the **policy schedule**.

This outline of the effect of the GST on **Your** policy is for general information only. **You** should not rely on this information without first seeking expert advice on the application of the GST to **Your** particular circumstances.

Inflation protection

To protect **You** from the effects of inflation, if **You** have cover under Property damage cover section, **We** may automatically change the **insured amount** at renewal in line with movements in the Consumer Price Index or another similar index.

If the **insured amount** increases because of index linking, the new premium and relevant government charges will be based on the new **insured amount** shown in the **policy schedule**.

Inspections

We (or agents appointed by **Us**) have the right to inspect and examine, by mutual appointment, any **property insured**.

Jurisdiction

All disputes arising out of or under this **policy** shall be subject to determination by any court of competent jurisdiction within Australia according to the law which applies to that jurisdiction.

Keeping **Us** up to date

During the **period of insurance** and at renewal **You** must tell **Us** of any of the following changes (for which **We** may ask for an additional premium to maintain cover):

1. if the **building** is not in a good state of repair;
2. any work on the **building** other than routine maintenance or decoration;

3. any change in **Your business**;
4. any change of **situation**;
5. details of any conversion or modification to **Your vehicle** made by someone other than the manufacturer. For example, if **You** give **Your vehicle** wide tyres or wheels, or lower its suspension;
6. if there is anyone under the age of 25 year who is likely to be a regular driver of the **vehicle**;
7. change of **Your** address, **Your vehicle**, **Your vehicle's** garage postcode or the way **You** use **Your vehicle**.

You must tell **Us** at the commencement of **Your** policy and at each renewal if any **authorised driver** of **Your vehicle**, including **You**, has:

1. had a licence endorsed, suspended or cancelled in the past 5 years;
2. has been charged or convicted of any criminal offence relating to arson, drugs, firearms, burglary, housebreaking, theft, robbery, receiving stolen goods, fraud, criminal or wilful damage or injury, assault to anyone;
3. has been charged with or convicted of any motor offence or motor infringement (but not parking fines).

Other persons or organisations

The insurable interest of only those lessors, financiers, trustees, mortgagees, owners and all other parties having a legal interest or charge over the **property insured** shall be automatically included as third party beneficiaries without notification or specification. The nature and extent of such interest is to be disclosed to **Us** in the event of any claim covered by this **policy**. Any other people not in this category or not named on the **policy schedule** are not covered and cannot make a claim. All third party beneficiaries must comply with the terms and conditions of the **policy**.

Where the separate interests of more than one party in the **property insured** are insured under this **policy**, any act or neglect of one party will not prejudice the rights of the remaining party or parties provided that the remaining party/ies are entirely innocent of and have no prior knowledge of any such act or neglect and shall, within a reasonable time after becoming aware of any act or neglect whereby the risk of loss, damage or destruction has increased, give notice in writing to **Us** and shall on demand pay such reasonable additional premium as **We** may require.

You cannot transfer the **policy** into someone else's name without our written consent.

All persons entitled to claim under the **policy** are bound by the terms and conditions of the **policy**.

When a claim is paid under the **policy** and is also recoverable under another policy or policies, **You** agree to provide **Us** with details of such policies and so that **We** may seek contribution from the other insurer or insurers.

Our maximum liability

Except as otherwise stated elsewhere in this **policy**, the maximum amount **We** will pay will not exceed the amount stated in the **policy schedule** as the **insured amount** or the limit of liability for those **policy sections** selected.

The **insured amount**, **limit of liability** and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable **excess**.

Non-imputation

Where this insurance is arranged in the joint names of more than one insured, as described in the definitions of **You**, it is hereby declared and agreed that:

- (a) each insured shall be covered as if it made its own proposal for this insurance;
- (b) any declaration, statement or representation made in any proposal shall be construed as a separate declaration, statement or representation by each insured;
- (c) any knowledge possessed by any insured shall not be imputed to the other.

Progress payments

We will make progress payments on claims at intervals to be agreed by **Us** following receipt of an interim report from **Our** loss adjuster or representative. **We** will not unreasonably withhold progress payments.

Reasonable care

You must take reasonable precautions to prevent personal injury or property damage as if **You** were not covered by this **policy** such as (but not limited to):

1. if **You** discover **Your** products may be defective and the defect may cause a claim under the Public and products liability cover section, **You** must, at **Your** expense, take reasonable steps to restrict, trace, recall, modify, replace or repair the products;
2. maintain and look after other person's or organisation's property and **buildings** used or occupied by **You**, in accordance with **Your** agreement with them;
3. if **Your** occupation includes digging below ground at sites away from the **premises** the location of underground services must be obtained from the owners of the services by **You** or **Your** principal before the work is commenced;
4. comply with all laws and safety requirements imposed by any authority or by State or national legislation.

If **You** do not take reasonable precautions **We** may refuse to pay part or all of **Your** claim.

Sale of salvage

We will not sell or dispose of any salvage without giving **You** the opportunity to buy it at its salvage value, provided that this condition does not allow **You** to abandon the property to **Us**.

Single occurrence

We will not pay for loss or damage to property covered by this **policy** under more than one **policy section** of the **policy** in respect of the same item and occurrence unless a relevant **insured amount** has been paid out in full and **You** have not been fully indemnified, less any applicable **excess**, for the loss or damage.

Waiver of subrogation rights

We will not be liable to pay any benefits under this **policy** for loss, damage or liability if **You** agree or have agreed to limit or exclude any right of recovery against any third party who would be liable to compensate **You** with respect to that loss, damage or liability. However:

- (a) **We** shall waive any rights and remedies or relief to which **We** are or may become entitled by subrogation against:
 - (i) any co-insured (including directors, officers and employees);
 - (ii) any corporation or entity (including directors, officers and employees) owned or controlled by any insured or against any co-owner of the **property insured**.
- (b) **You** may without prejudicing **Your** position under this **policy**:
 - (i) release any statutory governmental, semi-governmental or municipal authority or any landlord or any other person or parties from any liability if required at law, including by contractual agreement, to do so;
 - (ii) agree to enter into a contract for storage of goods or merchandise if the terms of the contract include a disclaimer clause;
 - (iii) agree to enter into a lease for occupancy of any **building** or part of a **building** or a lease or hiring of property where the terms of the lease or hiring include a disclaimer clause in favour of the lessor or the owner.

General claims conditions

To enable **Us** to process a claim under any section of this policy the following conditions apply.

1. Making a claim

Promptly contact **Your** Steadfast broker or call the Vero First Response Unit as soon as possible on 1300 888 073. We're available 24 hours a day.

2. Motor vehicle claims

- ▼ **Our** staff will advise **You** whether to bring **Your vehicle** to one of **Our** assessing centres or take it to a repairer. **We** can help with any other arrangements necessary to get **You** back on the road as quickly as possible.
- ▼ If **Your vehicle** is involved in an **event**, **You** should obtain the full names, addresses and phone number of all drivers and passengers involved and any witnesses to the **event**. **You** will also need to obtain the **vehicle** registration numbers and insurance details of all vehicles involved. If damage is caused to **building** and other property please provide details of the address and owners names.
- ▼ If **You** get demands, a notice of prosecution, details of any inquest or similar communication from other parties involved in an **event**, **You** must tell **Us** immediately. If **You** delay in telling **Us**, **We** may not cover any legal or other costs that result from that delay.
- ▼ **You** must let **Us** inspect, and if necessary, move **Your vehicle** before repairs begin.
- ▼ **You** must not accept any payment (including excess payments) from anyone unless **We** agree first.

3. Cooperation

You must co-operate with **Us** fully in any investigation, negotiation, defence or settlement of any claim.

This may include attending court to give evidence.

4. Minimise loss

You must:

- (a) take all reasonable precautions to minimise or prevent further loss, damage, injury or illness; and
- (b) take all reasonable steps to recover lost or stolen property.

5. Notify claim

You must

- (a) notify the police immediately following a theft or burglary or if any property is misappropriated, lost or maliciously damaged;
- (b) notify **Us** as soon as possible and give **Us** all the known details of the event including the police event number if available;
- (c) immediately send **Us** any legal document or other communication **You** receive about the event.

6. Retain all damaged property

You must:

- (a) retain and preserve all damaged property for **Our** inspection prior to authorisation of repairs unless alterations and repairs are immediately necessary for safety reasons or to minimise or prevent further loss, damage or injury. If repairs are necessarily carried out without **Our** prior approval, **You** are still required where reasonably practical, to retain and preserve all damaged property for **Our** inspection; and

(b) use **Your** best endeavours to preserve all property, products, plant and all other things that may assist **Us** in investigating or defending a claim against **You**, including assisting in determining if there are rights of recovery against another entity or person.

7. Our rights of possession

We, **Our** employees or **Our** agents have the right to enter any **building** or area where loss or damage has occurred and take possession of **property insured** or require the **property insured** to be delivered to **Us**. **We** will deal with this property in a reasonable manner.

8. Provide proof of ownership

You must supply **Us** with all the information and documentation that **We** request to prove **Your** ownership or legal responsibility for the **property insured** and its value.

We will decide what is acceptable proof of ownership and value based on the **property insured** for which **You** are claiming, the age of the item and its value at the time of loss or damage.

Examples of the type of documentation that may be required include, but are not limited to:

- ▼ tax invoices and/or receipts for **property insured**;
- ▼ photographs of the **property insured**;
- ▼ copies of any relevant contracts or agreements;
- ▼ statutory declaration verifying the details of **Your** claim and any other matters connected with it;
- ▼ **vehicle** log books;
- ▼ quotes for replacement items.

We understand **You** may not keep such information for every business item **You** own, especially if items are recorded in **Your** books of account. **You** or **Your** accountant may have records for tax purposes and these may be sufficient to prove ownership.

9. Proof of fraud or dishonesty

In the event of a claim, **You** must supply **Us** with all records and documents that may assist **Us** in substantiating and investigating any act of fraud or dishonesty and **Your** rights of recovery. This includes but is not limited to all records (including computer, electronic and accounting records), video and audio recordings, working papers, internal memoranda, police reports, accounting records and audit documents.

10. Admitting liability

You must not admit liability for any loss, damage or injury, or settle or attempt to settle or defend any claim without **Our** written consent.

11. Not authorise repair or replacement

You must not authorise the repair or replacement of anything without **Our** agreement.

In the case of an emergency where **You** are required to prevent further loss or damage to **Your** property as a direct result of that emergency and the property is covered by **Your** policy. **We** give **You** authority to arrange these emergency repairs on **Our** behalf.

12. Conduct of claims

- (a) **We** may appoint legal or other representatives to assist in the conduct of a claim;
- (b) **We** shall have the right and full discretion to conduct claims; and,
- (c) **We** reserve the right to negotiate and settle any claim on terms **We** consider appropriate.

13. Paying your excess

You must pay the excess that applies to claims under this policy. The excess that applies will depend on the circumstances of the claim. The amount of the excesses and the circumstances that each excess applies to are shown on the **policy schedule** or set out in the applicable policy section. **We** will tell **You** how to pay **Your** excess and who to pay it to. In some cases, **We** will direct **You** to pay the excess directly to a supplier or repairer.

If more than one **excess** can be applied to one occurrence then **You** will only need to pay the highest **excess** that applies unless expressly stated otherwise in the policy.

Insured amounts, limits of liability and sub-limits shall apply in addition to, and shall not be reduced by, the amount of any applicable **excess**.

Only one **excess** will apply to all damage resulting from earthquake, subterranean fire, volcanic eruption, bushfire, storm, hail or rainwater that is continuous, due to the same general conditions, and occurs within a 72-hour period from the first happening of damage.

14. Claims settlement

- (a) ITC entitlement

If any event occurs which gives or may give rise to a claim **You** must tell **Us** **Your** entitlement to input tax credits for **Your** insurance premium if **You** are registered, or should be registered for GST purposes. If the information **You** give **Us** is incorrect, **We** will not cover **You** for any resulting fines, penalties or tax charges.

(b) Cash payments

Any cash payments made to **You** under this policy will be based on costs including GST. However, if **You** are, or would be, entitled to claim any input tax credits for the repair or replacement of the **property insured** or for other things insured by the policy **We** will reduce **Our** payment to **You** by the amount of **Your** input tax credit entitlement.

(c) Discharge of our liabilities

If, at any time, **We** pay **You** the **insured amount** for any claim under this policy, the future conduct of the claim then becomes **Your** responsibility. **We** may also pay any extra covers, additional benefits or optional insurance that is in addition to the **insured amount**.

(d) Claims preparation expenses

We will pay for costs necessarily and reasonably incurred for the preparation and negotiation of a claim for which **We** agree to indemnify **You** under this Policy. The most **We** will pay is \$25,000 in total any one claim, unless a higher amount is included in the particular cover section of the policy. This benefit is in addition to the **insured amount**.

This benefit does not apply to the Management liability cover section, or the Tax audit cover section.

15. Rights of recovery

We have the right to take action or institute legal proceedings, in **Your** name, for the recovery of payments made and expenses incurred in relation to any claim insured by this policy, against any person, company or entity legally liable to **You** in respect of that claim.

You must provide **Us** with full information and all reasonable assistance in the recovery of those payments or expenses.

You must not enter into any agreement or make any admissions that have the effect of limiting or excluding **Your** rights and **Our** rights to recover payments and expenses without first obtaining **Our** approval in writing to do so.

About this policy section

This section of the policy covers physical loss of or damage to **Your property insured** during the **period of insurance**. **We** do not cover the theft or breakdown of **Your property insured** under this **policy section**.

Your insurance under this policy section

Provided 'Property damage' is shown under 'What's Covered' in the **policy schedule**, **We** will cover **You** up to the **insured amount** for accidental loss or damage to **Your property insured** at the **premises** during the **period of insurance**.

What We pay

The maximum **We** will pay for any one claim, other than a claim for a **specified item**, under this **policy section** is the **insured amount** shown on the **policy schedule** or adjusted in accordance with this **policy section**, whichever is the higher.

The maximum **We** will pay for each **specified item** is the **insured amount** shown in the **policy schedule** for that item.

For **contents** that are works of art, antiques or curios **We** will only pay the value of the item up to a maximum of \$10,000 for each item unless they are a **specified item**.

For any item of **contents** or for any **specified item** that is part of a pair or set, the limit applies to the pair or set.

There are two methods of paying **your** claims. They are 'reinstatement or replacement' basis and 'indemnity value'. The method **You** have chosen is shown on **Your policy schedule**.

1. Building(s), specified items, contents or stock

Reinstatement or replacement

Unless the **policy schedule** shows **You** are insured for 'Indemnity' then, when **buildings, specified items, contents or stock** are lost or damaged **We** will, at our option:

- (a) rebuild the **buildings** at the **premises** shown on **your policy schedule** or at another site;
- (b) replace **contents, stock or specified items** with similar property to a condition equal to but not better than its condition when new;
- (c) pay **You** the amount shown on the proof of purchase for **specified items** unless the **specified items** are works of art, antiques and curios;
- (d) if the **specified items** are works of art, antiques and curios, pay **You** the amount of a valuation by the Auctioneers and Valuers Association of Australia; or
- (e) pay the cost of rebuilding or replacing the **buildings, specified items, stock or contents**.

Reinstatement or replacement is subject to the following conditions:

- (a) the work of rebuilding, replacing or repairing must be commenced and completed by **You** within a reasonable time otherwise **We** will pay no more than the cost that would have been incurred if the work of rebuilding, replacement or reinstatement has been commenced and carried out within a reasonable period of time;
- (b) when rebuilding at another site, **We** will not pay more than **We** would pay to rebuild at the **premises**;
- (c) when any **property insured** is damaged, but not destroyed, **We** will not pay more than the amount that **We** could have been called upon to pay for if that property had been destroyed;
- (d) **We** will only pay to return the **property insured** to a condition substantially the same as, but not better or more extensive than, its condition when new, using building materials readily available and in common use in The Commonwealth of Australia.

2. Indemnity

(Optional reduction in cover)

If **Your policy schedule** shows **You** are insured for 'Indemnity' then, for any loss or damage to **building or contents, We** will, at our option:

- (a) repair, reinstate or replace the **building or contents**;
- (b) pay **You** the market value of the **building or contents** at the time of its loss or damage; or
- (c) pay the cost of repair or replacement.

In all cases, where appropriate, **We** will reduce the amount **We** pay **You** to take into account age, wear, tear and depreciation.

The Underinsurance/average condition in this cover section is amended to read:

In the event of loss or damage to property **We** shall be liable for no greater proportion of the loss or damage than the **insured amount** at the **premises** bears to eighty percent (80%) of the current value of the **property insured**, provided that our liability shall not exceed the **insured amount** stated against each item in the **policy schedule**.

3. Branded stock

We will not sell branded **stock** as salvage without **Your** consent.

If **You** do not agree to **Us** selling the branded **stock** as salvage, **We** will pay the market value of the **stock** after brands, labels or names have been removed.

4. Extra costs of reinstatement

If **You** are insured under this **policy section** on a reinstatement or replacement basis, **We** will also pay the extra costs of reinstatement or replacement of **property insured** which are necessarily incurred to comply with the requirements of any Act of Parliament or regulations or any by-law or regulation of any Municipal or other statutory authority, other than those relating to the heritage status of a **building**.

5. Extra costs of reinstatement: Heritage building

If **You** are insured under this **policy section** on a reinstatement or replacement basis for loss or damage to any **building** that is subject to any heritage listing or protection and **You** choose to rebuild, replace or repair the **building** at the same location, **We** will pay the extra costs of repairing, replacing, or reinstating the **building**, that are related to obtaining special materials or employing specialised labour to match up or reproduce unique or distinctive ornamental or architectural features of the **building** to comply with standards imposed by any lawful heritage protection authority.

We will not pay more than the cost necessary to rebuild, replace or repair any such heritage listed building to a reasonably equivalent appearance and capacity using original design and suitable modern equivalent materials, if the original materials are not available.

6. Conditions which apply to extra costs of reinstatement

The following conditions apply:

- (a) the work of reinstatement must be commenced and completed within a reasonable time; and
- (b) the amount payable will not include any additional costs in complying with any requirement that **You** had been required to comply with before the loss or damage occurred; and
- (c) the work of reinstatement may be carried out wholly or partially upon any other site, if the requirements of the Act, regulation or by-law necessitate it, subject to **Our** liability not being increased.

Our total liability under this clause 'Extra cost of reinstatement' will be limited to:

- (i) the sub limit of liability shown in the current **policy schedule** for 'Extra cost of reinstatement' which shall be in addition to the **insured amount**; or
- (ii) the balance of the **insured amount** for this **policy section**.

whichever is the greater.

The underinsurance condition of this **policy section** will not apply to the amount payable under this clause.

7. Loss of floor space

If a **building** insured under this **policy section** on a reinstatement or replacement basis can only be rebuilt with a reduced floor space as a result of:

- (a) an Act of Parliament or regulations; or
- (b) a by-law or regulation of any Municipal or other statutory authority;

We will, in addition to reinstating or replacing the **building** on the basis set out above, pay **You** the difference between:

- (a) the actual cost of rebuilding the **building** with the reduced floor space; and
- (b) the estimated cost of rebuilding the **building** with the floor space it had at the time it was damaged.

8. Output replacement

Where any **property insured** consists of equipment, machinery or plant having a measurable function, capability or output and if it is necessary to replace such property with a new item or items which perform a similar function or functions, then the basis of settlement for such property shall be:

- (a) Where any **property insured** is to be replaced with any item or items which have the same or a lesser total function, capability or output, then the basis of settlement is the new installed cost of such replacement item or items as would give the same total function, capability or output as the **property insured**.
- (b) Where any **property insured** is to be replaced with an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is no greater than the replacement value of that **property insured**, then the basis of settlement is the new installed cost of the item or items so replaced.
- (c) Where any **property insured** is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is greater than the replacement value of the **property insured**, then the basis of settlement is the lesser of the reinstatement value or that proportion of the new installed cost of the replacement item or items which the output of the damaged **property insured** bears to the output of the replacement item or items; provided always that the amount payable shall not be of lesser value than the estimated cost which would have been payable if such damaged property could have been replaced by an item or items that would have given the same total function, capability or output as the damaged **property insured**. If the reinstatement value of the damaged **property insured** is not ascertainable then the basis of settlement is the new installed cost of the replacement item or items.

9. Stock

If **stock** is lost or damaged, **We** will, at our option:

- (a) pay the market value of the **stock** at the time of the loss or damage;
- (b) pay **You** the market value of **obsolete stock** or its purchase price (net of GST), whichever is the lesser, but no more than the original cost to **You**;
- (c) replace or repair the **stock** with property or materials equal to or of a similar standard and specification as the **stock** at the time it was lost or damaged; or
- (d) pay the cost of repair or replacement of the lost or damaged **stock**.

Extra covers

When damage to **property insured** is covered by this **policy section**, **We** will pay for the following costs that are incurred as a result of that damage.

Unless stated otherwise below, any amounts payable under these Extra covers apply in addition to the **insured amount**.

1. Capital additions

If **buildings** or **contents** are insured and:

- (a) **buildings**, or part of them, are in the process of being constructed, erected, altered or added to; or
- (b) **contents**, excluding **stock**, are in the process of being installed or modified;

We will pay no more than:

- (a) \$500,000; or
- (b) 20% of the total **insured amount** on **buildings** and **contents**;

whichever is the lesser amount.

For example: If **Your business** is retail, and the **contents** of **Your** rented shop are insured for \$150,000 and **You** are refitting the shop shelving and service counters, **We** will not pay more than \$30,000 (20% of \$150,000), as this amount is less than \$500,000.

2. Catastrophe inflation protection

If **We** agree to pay a claim for damage to **Your building** that is a direct result of a **catastrophe**, **We** will:

- (a) pay up to an additional 20% of the **insured amount** for **buildings**; and
- (b) increase the amounts payable under the 'Capital additions' (relating to **buildings** only) Extra cover and 'Prevention of loss or damage' Additional benefit of this **policy section** by up to 20%;

for any additional costs incurred in rebuilding that can be directly attributed to increases in the price of services and materials as a direct result of the **catastrophe**.

For example, if **Your insured amount** for **buildings** was \$1,000,000 **We** would pay up to an extra \$200,000 (20% of \$1,000,000). However, this Extra cover does not operate to increase the total **insured amount** for the purposes of calculating the application of any Extra cover or additional benefits or the Underinsurance provision in this **policy section**.

We will not pay more than the increased building costs which are actually incurred by **You** as a direct result of the **catastrophe**.

We will not pay any claim under this Extra cover if **You** choose not to rebuild the **buildings** (or any part of them) at the **premises** shown on your **policy schedule**. **We** will not increase the **insured amount** to pay for damage to any **property insured** other than **buildings**.

We will not pay any claim under this Extra cover if **Your policy schedule** shows the **building** as being insured for 'Indemnity'.

3. Discharge of mortgages

We will pay the reasonable legal costs of discharge of a mortgage or mortgages on **buildings**, **contents** or **stock** following settlement of a claim under this policy on a total loss basis. **We** will pay up to \$25,000 any one **event**.

4. Floating stock

Where **We** pay a claim for loss of or damage to **stock** at the **premises**, **We** will pay more than the **stock insured amount** at that **premises** to account for the temporary transfer of **stock** between **premises** provided that:

- (a) there are at least two **premises** specified on the **policy schedule** and an **insured amount** has been separately specified on the **policy schedule** for **stock** at each **premises** insured under this **policy section**, including the affected **premises**; and
- (b) **You** transfer the **stock** between **premises** as a usual business practice.

We will not pay a claim under this Extra cover where **stock** levels in excess of the **insured amount** at a **premises** have been temporarily located at that **premises** for a period exceeding 90 days and where **We** have not agreed in writing to an extended period, during the **period of insurance**.

We will not pay more than the total of the **stock insured amounts** for all **premises**.

For example: assume **You** operate from two retail premises, each with a **stock insured amount** of \$50,000. At the time of an insured event that destroys the premises, stock at the premises where the loss occurs is valued at \$70,000 and there is \$25,000 worth of **stock** at the other premises, which is less than \$100,000 of **stock** cover at all situations, **We** will pay up to \$95,000.

5. Government fees

If any of **Your property insured** is destroyed or damaged, **We** will pay any fee, contribution or other impost payable to any other Government, Local Government or other Statutory Authority where payment of the fee, contribution or impost is necessary to the obtaining of consent to reinstate any **property insured** provided that **We** will not be liable for payment of any fines and/or penalties imposed upon **You** by any such authorities. The cost of government fees is included in the **insured amount** for **buildings, contents** or **stock**. If the **insured amount** is exhausted, the most **We** will pay under this Extra cover is \$10,000 any one event.

Landscaping includes trees, shrubs, plants, lawns, rock work, retaining walls, ornamentation and edging pertaining thereto.

We will not pay more than \$50,000 or 20% of the **insured amount**, whichever is the lesser, at the **premises** in respect of any one **event**. This additional benefit is included in the **insured amount** for the **buildings**.

We will not pay for any loss of or damage to landscaping which occurs as a result of storm, wind or rain (including snow, sleet or hail).

7. Loss of land value

If **We** pay for a claim for loss of or damage to a **building** at the **premises**, **We** will pay for any reduction in land value that results from the decision by any legal authority not to allow rebuilding or only to allow partial rebuilding of that **building** at the **premises**.

We will not pay more than:

- (a) 20% of the **building insured amount** shown on the **policy schedule**; or
- (b) \$100,000;

whichever is the lesser.

For example, if the **insured amount** for the **building** is \$400,000, **We** will not pay more than \$80,000 (20% of \$400,000), as this amount is less than \$100,000.

8. Playing surfaces

We will pay, up to \$50,000 plus any additional amount shown in the current **policy schedule** for playing surfaces, for the cost of repairing damage to outdoor playing surfaces at the **premises**, caused by:

We will pay the reasonable cost of surveyors', architects' and other professional fees for estimates, plans, specifications, quantities, tenders and supervision, incurred in the repair or replacement of lost or damaged **buildings**. The cost of professional fees is included in the **insured amount** of the lost or damaged **buildings**. If the **insured amount** has been exhausted, **We** will pay up to \$5,000 any one event.

We will not pay any claim under this Extra cover if **Your policy schedule** shows the **building** as being insured for 'Indemnity'.

10. Removal and disposal of trees and branches

If damage to **property insured** is caused by impact from trees or branches of trees, **We** will pay the reasonable costs associated with the removal and disposal of the tree or branches, which caused the damage.

11. Removal of debris including necessary temporary repairs

We will pay the reasonable costs of removal, storage and disposal of debris or the demolition, dismantling, cleaning up, shoring up, propping, underpinning or other temporary repairs of **property insured** by **You**. **We** will also pay for **Your** legal liability for the cost of removal of debris from adjoining **premises**, property, services, roadways and waterways as well as on the site.

We will pay **You** up to \$100,000 or 20% of the total **insured amount** on **buildings** and **contents** shown on the **policy schedule** for the damaged **premises** whichever is the greater or the amount for 'Removal of debris' shown in the **policy schedule**. If this is insufficient and **You** have not exhausted **Your insured amount** on the damaged items requiring demolition and/or removal of debris, **We** will pay up to the remaining balance of the **insured amount**.

12. Rewards

We will pay up to \$5,000 any one event for the reasonable cost of any reward paid by **You** for information which leads to the apprehension and conviction of person(s) responsible for any loss or damage which is insured under this **policy section**.

Provided that any cover given under this Extra cover shall not accumulate with any similar cover that may be given under Extra covers in the Theft or Money cover sections.

13. Rewriting of records

We will pay the reasonable costs of restoring the **data** stored on **media** or the cost of clerical labour actually, necessarily and reasonably incurred in rewriting, restoring or recreating the records at each **premises** for:

- (a) business books, plans, computer records, patterns and other business records that are damaged;
- (b) business records of **Your** customers at the **premises** or **Your** business records stored off-site.

14. Seasonal increase in stock

We will automatically increase the **insured amount** in respect of **stock** by 50% during the **seasonal increase period**. If the **insured amount** in respect of **stock** is included in your **contents insured amount** **We** will only apply the seasonal increase to that portion of your **Contents insured amount** which relates to **Stock**.

15. Taking inventory

Policy section conditions

These conditions apply to all covers and claims under this **policy section**.

1. Leased building clause

Without prejudicing **Your** position under this **policy section**, **You** may agree to enter into a lease for occupancy of any building or a lease for hiring of property where the terms of the lease include a disclaimer clause in favour of the lessee to the owner.

2. Reinstatement

If **We** pay an amount for a claim for loss during the **period of insurance** under this **policy section** **We** will automatically reinstate the **insured amount** to the amount shown on the **policy schedule**. **You** will not be required to pay any additional premium.

3. Release

4. Storage premises

Without prejudicing **You** position under this **policy section**, **You** may enter into a contract which includes a disclaimer clause in relation to the storage of goods or merchandise.

5. Tenant's actions

If a tenant of **Yours** or a tenant of **Your** landlord (but not **You**) without **Your** consent, causes or contributes to any loss or damage covered by this **policy section** which is in breach of any terms or conditions, **We** will cover **You** for **Your** loss or damage as per this **policy section**, provided:

3. **You** agree to pay a reasonable increase in premium for the additional risk.

6. Under-insurance

In the event of loss or damage covered under this **policy section**:

For claims settled on a reinstatement or replacement basis, **We** will be liable for no greater proportion of the loss or damage than the total **insured amount** on the **policy schedule** bears to 80% of the full insurable value of the **buildings, contents, stock and specified items** (net of any **input tax credit** that you could claim) at the time of the commencement of the **period of insurance**.

This condition does not apply if the amount of any loss or damage (net of any **input tax credit** that **You** could claim) is less than 10% of the total **insured amount** shown on the **policy schedule** at the **premises**.

Any additional costs incurred to comply with the requirements of any statutory authority, by-laws or regulations shall be omitted from the calculation of **Our** proportion.

See the worked dollar example below for an example of how underinsurance will apply to reduce the amount **We** will pay for claims under **Your** policy.

Worked dollar examples

The following worked dollar examples are designed to assist **You** in understanding some of the important benefits in this **policy section** and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of **Your** policy terms and conditions. The following examples should be used for general guidance only.

<p><i>You have cover for a building that is used as both a hairdressing salon and Your residence. For this reason it is a home building. Indemnity is not shown on Your policy schedule, so you have cover on a replacement value basis. The total insured amount on the policy schedule is shown as \$400,000 (the total of the insured amount shown on Your policy schedule for the building of \$380,000, contents of \$10,000 and stock of \$10,000 and there are no specified items) and the excess shown on the policy schedule is \$250.</i></p> <p><i>When setting the building insured amount, You must consider the costs to remove debris and payment of any architect fees. The building is damaged in a storm and We assess the cost of repairs to be \$50,000.</i></p>		
How much we pay		Further information
Cost of repairs	\$50,000	We normally decide the building is repairable if the cost of repairing the building is less than the insured amount (in this example the insured amount for buildings is \$380,000).
Cost of removal of debris	+\$30,000	In addition to the damage to the building , the storm has created building debris that requires cleaning up and removal. The most We will pay under the removal of debris benefit is \$25,000 in addition to any unexhausted amount of the total insured amount . However, as the total insured amount has not been exhausted, We will pay up to any unexhausted amount remaining from the total insured amount of the debris cost, which in this case is \$30,000.
Less excess	-\$250	We deduct this from the amount We pay. We may require You to pay this amount directly to the repairer.
Total claim	\$79,750	We normally pay this amount directly to the repairer.
<p>Underinsurance In the above example, if the actual replacement value of the building at the time the policy was entered into was \$580,000 but you had only insured the building, contents and stock for \$400,000 the amount We pay will be reduced in accordance with the underinsurance condition in this policy section.</p> <p>The amount We would pay will be calculated as follows:</p>		
$\text{Total claim of } \$79,750 \times \frac{\$400,000 \text{ (insured amount)}}{80\% \times 580,000 \text{ (building replacement value at time of loss)}} = \$68,750$		

*You have cover for a **building** that is used as both a cafe and **Your** residence. For this reason it is a **home building**. Indemnity is not shown on **Your policy schedule** so you have cover on a replacement value basis. The **insured amount** on the **policy schedule** for buildings is shown as \$2,500,000 and the excess shown on your **policy schedule** is \$250. The **building** is damaged in an earthquake and **We** assess the cost of repairs to be \$1,000,000.*

How much we pay		Further information
Cost of repairs	\$1,000,000	We normally decide the building is repairable if the cost of repairing the building is less than the insured amount (in this example the insured amount is \$2,500,000).
Cost of removal of debris	-\$40,000	In addition to the physical building damage there is also building debris that requires cleaning up and removal. The most We will pay under the removal of debris benefit is \$25,000 in addition to any unexhausted amount of the total insured amount . However, as the total insured amount has not been exhausted, We will pay up to any unexhausted amount remaining from the total insured amount .
Less excess	-\$10,000	Since the damage is caused by an earthquake, an excess of 1% of the insured amount of the loss or damage (up to a maximum of \$20,000) applies. In this example 1% of the insured amount of the loss to the buildings is \$10,000. We may ask You to pay this amount directly to the repairers.
Total claim	\$1,030,000	We normally pay this amount directly to the repairers.

2. Inspection

We or **Our** authorised representatives have the right to make inspections of **machinery** or **electronic equipment** at any reasonable time. For the purpose of the calculation of the **limit of liability**, any **sub-limit** or **excess**, all **related claims** will be deemed to be one **claim** and cover for all **related claims** will be provided as follows:

- (a) if the first **related claim** is first made during this **period of insurance** and notified to us during this **period of insurance** or any applicable **discovery period**, then cover for all subsequent **related claims** will only be provided under this policy; and
- (b) if the first **related claim** was first made and notified to us during a period prior to this **period of insurance**, during which **you** had cover with **Us**, then cover for all **related claims** will only be provided under that earlier policy with **Us**, subject to the terms, **excess** and **limit of liability** of that earlier policy; and
- (c) if the first **related claim** was first made during a period prior to this **period of insurance**, during which **You** did not have cover with us, then no cover for any **related claim** will be provided under this policy.

5. Claims conduct

We are entitled to take over and conduct in **Your** name the defence or settlement of any **claim** and will have full discretion in the conduct of any proceedings and in the settlement of any **claim**.

We reserve entirely our rights under this policy, including our right to agree or deny cover while **We** assess a **claim** or conduct a defence. Our rights under this policy are not affected if **We** do not conduct the defence.

Neither **You** nor **We** will be required to contest or litigate any **claim** if, in the opinion of Senior Counsel, reasonable attempts should be made to settle the **claim**. The Senior Counsel shall be mutually agreed upon, or in the absence of such agreement, as nominated by the President of the NSW Bar Association. The cost to obtain the opinion will be advanced by **Us** and treated as **defence costs**.

Senior Counsel shall provide the opinion in writing. In formulating the opinion Senior Counsel shall consider commercial matters including the amount of the **claim**, the actual and potential **loss** (including **defence costs**) that may reasonably be incurred in contesting the **claim**, the liability prospects and the prospect of recovering costs against the claimant in the event that the defence is successful. Senior Counsel shall also provide a settlement range within which

reasonable attempts should be made to settle the **claim**.

If it is the opinion of Senior Counsel that reasonable attempts should be made to settle the **claim**, **you** shall not object to **Our** attempt to do so.

6. Settlement

You must not settle or offer to settle any **claim**, incur any **defence costs**, or **representation expenses** or otherwise assume any contractual obligation or admit any liability in respect of any **claim** without **Our** prior written consent.

If **You** object to a proposal by us to settle or compromise any **claim** payable under this **policy section** and wish to contest or litigate the matter, then **You** may so elect, but our liability in respect of any such **claim** so contested or litigated will not exceed the amount for which, but for such election, it could have been settled or compromised by **Us**, together with **defence costs** payable in accordance with the terms of this **policy section** and incurred up to the time of such election.

7. Allocation of loss

This Claims condition applies to any part of any **loss** resulting from a **claim** which is in respect:

- (a) of one of **You** only; or
- (b) of more than one of **You**, whether jointly or severally; or
- (c) of one or more of **You** and one or more persons or entities who is or are not covered under this **policy section**, whether jointly or severally;

and which is partly covered and partly not covered under this **policy section**, (together 'Loss to be Allocated'). **We** must determine a fair and reasonable allocation of the covered part of the Loss to be Allocated among the relevant **insured's** and **Us** having regard to the extent of each insured's comparative responsibility for the Loss to be Allocated.

Our consideration of what is fair and reasonable should include without limitation, the following factors:

- (a) the nature of the **claim** against each **insured**;
- (b) the issues of fact and law in relation to each **insured**;
- (c) the content and the manner of the conduct of any defence of the **claim**;
- (d) the relative degree of personal responsibility for the **loss**;
- (e) the extent to which the insured's responsibility for the **loss** is joint, several or shared;
- (f) the extent to which any person or entity, other than that insured, would obtain a benefit from the payment by **Us**;
- (g) the extent to which the **loss** is solely of that **insured**;
- (h) the extent to which the issues in the **claim** against that insured are in common with the issues in the **claim** against any other person or entity;
- (i) the extent to which the **loss** is partly covered and partly not covered under this **policy section**;
- (j) in the event of a settlement, the likely comparative responsibility had the settlement not occurred.

If **You** wish to dispute our determination of the allocation, each party agrees that the dispute must be referred for expert determination in accordance with the Australian Commercial Disputes Centre ("ACDC") Mediation Guidelines, to an expert agreed by the parties, or if the parties do not agree on an expert, an expert nominated by the then current CEO of ACDC or the CEO's nominee.

Each party agrees to sign an agreement with the expert that confirms the following:

- (a) each party will pay an equal share of the fees for the appointed expert (to be charged at the expert's usual rate); and
- (b) the expert may:
 - (i) consider relevant industry practice;
 - (ii) consider all information presented to the expert by either party;
 - (iii) request more information from either party;
 - (iv) request a meeting with the parties (to which they may bring their lawyers); and
- (c) the expert must decide within thirty days after the agreement is signed, and need not give reasons; and
- (d) the expert's decision will be binding on the parties and final; and
- (e) the expert will exclude all liability of the expert to either party (including liability for negligence) to the full extent permitted by law.

This allocation applies for all purposes under this **policy section** including the Additional benefit 1 – Advancement of Defence Costs and Representation Expenses and the Policy Section Condition 8 – Subrogation and Recoveries Claims.

Any allocation of **loss** will not apply to or create a presumption with respect to the allocation of other **loss** on account of such **claim**.

This provision overrides the Complaints Resolution provision contained in Part 2 with respect to our determination of the allocation, to the extent of any inconsistency.

8. Subrogation and recoveries

Provision of information and assistance

You agree to provide **Us** with all information, evidence, documentation, assistance and co-operation and to execute such documents, including signed statements and affidavits, which **We** reasonably request in the exercise of our rights of recovery.

You will at all times and at **Your** own cost use reasonable endeavours to do and concur in doing everything reasonably practicable to assist in the exercise of **Your** rights of recovery.

All Recoveries

All recoveries obtained by **You** from other parties will be allocated, after the settlement of any **claim** under this **policy section** as follows:

- (a) firstly, to the benefit of **You** to reduce or extinguish the amount of **Your loss** to the extent that it would have been paid under this **policy section** but for the fact that such **loss** exceeds the sum of the **insured amount**; and
- (b) secondly, to the benefit of **Us** for all sums paid in settlement of **loss** arising under this policy; and
- (c) thirdly, to the benefit of **You** for the **excess** under this **policy section**.

All recoveries will be applied as herein only after deduction of the reasonable cost of obtaining such recovery. All recoveries made prior to settlement of any **claim** under this **policy section** will be held for the benefit of **Us** and applied as stated herein after settlement if any is made.

Recoveries do not include any amount recovered from insurance, suretyship, reinsurance, security or indemnity taken for the benefit of **Us**.

9. Authorisation

You are the agent for each of **You** and each of **You** is bound by any statement, act or omission of **You** for all purposes under this **policy section**, subject to the Claims Conduct Claims Condition and the Disclosure and the Severability and Imputation General Terms.

If **You** are more than one entity, then the first entity listed in the **policy schedule** will be deemed to be **You**.

10. Confidentiality

- (a) **You** are required by law or stock exchange rules to do so; or
- (b) **We** provide our prior written consent to such disclosure.

11. Governing law

The construction, interpretation and meaning of the terms of this **policy section** will be determined in accordance with the laws of the Commonwealth of Australia and the State or Territory where the **policy** was issued. Any disputes relating to the construction, interpretation and meaning of the terms of this **policy** will be submitted to the exclusive jurisdiction of the courts of the Commonwealth of Australia.

12. Interpretation the singular includes the plural and vice versa.

A reference to any legislation or legislative provision includes any statutory modification or re-enactment of, or legislative provision substituted for, and any subordinate legislation issued under, that legislation or legislative provision (whether of the Commonwealth of Australia or elsewhere).

The titles and headings to the various parts of this section are included solely for ease of reference and do not in any way limit or expand or otherwise affect the terms of such parts.

What we pay

Our liability to **You** under this section in respect of **loss** resulting from **claims** first made against **You** and notified to **Us** during the **period of insurance** (or **discovery period**, if applicable) will not exceed the 'Management liability' **insured amount** in the aggregate for all **loss** covered under the policy during the **period of insurance**.

Any **discovery period** will not increase or reinstate the 'Management liability' **insured amount** or any Sub-limit of Liability, which will be our maximum liability for the **period of insurance** and **discovery period**, combined.

In respect of the Optional Cover – Employee Dishonesty, **We** will:

- (a) pay **You** the amount of lost **money**; or
- (b) at our option, replace lost **covered property** or pay the market value of the **covered property**.

Notwithstanding that the act of fraud or dishonesty may have been committed during more than one **period of insurance**, the maximum amount **We** will pay for all **claims** under Optional Cover – Employee Dishonesty in the **period of insurance** is the 'Employee dishonesty' **insured amount**.

Excess

The **excess** that applies to Management liability only is shown on the **policy schedule** and applies to each **claim** under this section.

If **You** also select Optional Cover – Employee Dishonesty the **excess** that applies to ‘Employee Dishonesty’ will apply in addition to any **excess** applicable to Management liability.

You are liable for the amount of **loss** or **fidelity loss** up to the **excess** for each **claim** under this section.

The **excess** is deducted from **loss** payable before the application of the ‘Management liability’ **insured amount** or, in respect of the Optional Cover – Employee Dishonesty, from **fidelity loss** payable before the application of the ‘Employee dishonesty’ **insured amount**.

Business interruption cover section

Introduction

This cover section only forms part of **Your** Policy when Business interruption is shown in the **policy schedule**.

There are three covers available in this **policy section**:

- ▼ Insurable Gross Profit basis;
- ▼ Annual Revenue basis;
- ▼ Weekly Revenue basis.

Your **policy schedule** indicates which cover has been selected by you.

Insurable gross profit basis

What You are covered for

In the event of interruption of or interference with **Your business** in consequence of **damage** to any **property insured** or any part thereof used by **You** at the **premises** for the purpose of **Your business**, **We** will pay **You** in respect of each item selected by **You** and shown in the current **policy schedule**, the amount of the loss resulting from such interruption or interference.

Provided that:

- (a) the payment is in accordance with the 'What we pay' provision for the item;
- (b) **We** have paid for or admitted liability in respect of such **damage** to your **property insured** under the relevant **policy section**, or another insurer has paid for or admitted liability in respect of such **damage**;
- (c) **We** would have paid for or admitted liability in respect of such **damage** under the relevant section of this **policy**, or another insurer would have paid for or admitted liability in respect of such **damage** and it would otherwise be covered under the relevant policy section but for the application of an Excess; and
- (d) **Our** liability in no case will exceed in respect of each item the **insured amount** shown in the current **policy schedule** for that item.

Insurance on an insurable gross profit basis provides protection with regard to loss under:

Item 1. Gross profit (if selected).

Item 2. Additional increase in cost of working (if selected).

Item 3. Accounts receivable (if selected).

Item 4. Claim preparation and proving expenses (if selected).

Item 5. Rent receivable (if selected).

What we pay

Item 1. Gross profit

This item is limited to the loss of **gross profit** due to a reduction in **turnover** and the increase in **Your** cost of working.

The amount payable as indemnity under this item will be:

- (a) in respect of reduction in **turnover**:

the sum produced by applying the **rate of gross profit** to the **shortage in turnover** during the **indemnity period**; and

- (b) in respect of the increase in cost of working:

the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in **turnover** which, but for the additional expenditure, would have taken place during the **indemnity period** in consequence of the **damage**, but not exceeding the sum produced by applying the **rate of gross profit** to the amount of reduction thereby avoided;

less any sum saved during the **indemnity period** in respect of such charges and expenses of **Your business** payable out of **gross profit** as may cease or be reduced in consequence of the **damage**.

Provided that if the **insured amount** for loss of **gross profit** at the commencement of each **period of insurance** is less than the sum produced by applying the rate of **gross profit** to eighty percent (80%) of the **annual turnover** (or its proportionately increased multiple where the **indemnity period** exceeds twelve months), the amount payable for loss of **gross profit** only will be reduced so that **We** will be liable for no greater proportion of the loss under this item than that which the **insured amount** bears to eighty percent (80%) of the **annual turnover** (or its proportionately increased multiple, if appropriate).

This provision will not apply if **Your** claim is for less than 10% of the **insured amount** for this item.

Item 2. Additional increase in cost of working

See common clauses.

Item 3. Accounts receivable

See common clauses.

Item 4. Claim preparation and proving expenses

See common clauses.

Item 5. Loss of rent receivable

The amount payable under this item will be:

(a) in respect of loss of **rent receivable**:

the amount by which the **rent receivable** during the **indemnity period** falls short of the **standard rent receivable**, in consequence of the **damage**; and

(b) in respect of additional expenditure:

the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of **rent receivable** which, but for that expenditure, would have taken place during the **indemnity period** in consequence of the **damage**, but not exceeding the amount of the reduction in **rent receivable** thereby avoided

less any sum saved during the **indemnity period** in respect of such of the expenses and charges payable out of the **rent receivable** as may cease or be reduced in consequence of the **damage**.

Provided that if the **insured amount** for this item, at the commencement of each **period of insurance**, is less than eighty percent (80%) of the **annual rent receivable** (or its proportionately increased multiple where the **indemnity period** exceeds twelve months), the amount payable will be reduced so that **We** will be liable for no greater proportion of the loss under this item than that which the **insured amount** bears to eighty percent (80%) of the **annual rent receivable** (or its proportionately increased multiple, if appropriate). This provision will not apply if **Your** claim is for less than 10% of the **insured amount** for this item.

Annual revenue basis

What You are covered for

In the event of interruption of or interference with **Your business** in consequence of **damage** to any **property insured** or any part thereof shown by you at the **premises** for the purpose of your **business**, **We** will pay **You** in respect of each item selected by **You** and shown in the current **policy schedule**, the amount of the loss resulting from such interruption or interference.

What we pay

Item 1. Revenue

This item is limited to the loss of **revenue** and increase in the cost of working.

The amount payable as indemnity under Item 1 will be:

(a) in respect of the loss of **revenue**:

the amount by which the **revenue** earned during the **indemnity period** falls short of the **standard revenue**, in consequence of the **damage**; and

(b) in respect of the increase in cost of working:

the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of **revenue** which, but for the additional expenditure, would have taken place during the **indemnity period** in consequence of the **damage**, but not exceeding the amount of reduction in **revenue** thereby avoided.

We will reduce the amount **We** will pay by the amount saved during the **indemnity period** for charges and expenses of **Your** business which cease or are reduced as a consequence of the loss or **damage** covered by this **policy section**.

Provided that if the **insured amount** for loss of **revenue** is less than eighty percent (80%) of the **annual revenue**, the amount payable will be reduced so that **We** will be liable for no greater proportion of the loss under this item than that which the **insured amount** bears to eighty percent (80%) of the **annual revenue**.

This provision will not apply if your claim is for less than 10% of the **insured amount** for this item.

Provided that:

- (a) the payment is in accordance with the 'What we pay' provision for the item;

In adjusting any loss, account will be taken and equitable allowance made if any reduction in **turnover** or loss of **revenue** or **weekly revenue** in consequence of the **damage** is postponed by reason of the **turnover** or **revenue** or **weekly revenue** (as the case may be) being temporarily maintained from accumulated stocks of finished goods.

Alternative trading

If during the **indemnity period**, goods are sold, work is performed or services are rendered elsewhere than at the **premises** for the benefit of **Your business** either by **You** or by others acting on **Your** behalf, the money paid or payable in respect of such sales, work or services will be brought into account in arriving at the **turnover**, **revenue** or **weekly revenue** (as the case may be) during the **indemnity period**.

Departmental

We will apply the cover provided by this **policy section** to each department of **Your business** separately, if **Your business** is conducted in departments, and each department has independent trading results which are ascertainable. For the purposes of this clause, the **rent receivable** from letting of property at the **premises** will be regarded as the proceeds of one such department.

Insured amount

Our liability to **You** will in no case exceed in respect of each item the **insured amount** expressed against that item in the current **policy schedule**. 'Extra covers' and 'Additional benefits' are within the total **insured amount** of this **policy section** and not additional to the total **insured amount**.

If **You** have chosen **weekly revenue**, We will not pay more each week for loss of weekly revenue than the **weekly benefit**.

Item 2. Additional increase in cost of working

The insurance under this Item is limited to increase in cost of working (not otherwise recoverable hereunder) necessarily and reasonably incurred during the **indemnity period** in consequence of the **damage** for the purpose of avoiding or diminishing reduction in **turnover**, **revenue** or **weekly revenue** and/or resuming and/or maintaining normal business operations and/or services.

We will not pay more than the **insured amount** for 'Additional increase in cost of working' shown in the **policy schedule** for any one claim.

Item 3. Accounts receivable

Under this item We will pay **You** up to the amount shown in the **policy schedule** for all sums due to you from debtors that **You** are unable to collect because of **damage** to records of accounts receivable. We will also pay collection expenses in excess of normal collection costs made necessary because of the **damage** as well as interest charges at the ruling rate of **Your** bank on any loan to offset impaired collections pending repayment of such sums made uncollectible by such **damage**. If **You** cannot accurately establish the total amount of accounts receivable outstanding as at the date of the **damage**, the amount will be computed as follows:

- (a) determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the **damage** occurs;
- (b) calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the year immediately preceding the month in which the **damage** occurs, as compared with such average for the same months of the year immediately preceding the year in which the damage occurs;
- (c) the amount determined under (a), increased or decreased by the percentage calculated under (b) above, will be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said **damage** occurs;
- (d) the amount determined under (c) above will be increased or decreased in conformity with the normal fluctuation in the amount of accounts receivable during the fiscal month involved, consideration being given to the experience of your **business** since the last day of the last fiscal month for which statements have been rendered less:
 - (i) the amounts of such accounts evidenced by records not suffering **damage** or otherwise established or collected by **You**;
 - (ii) an amount to allow for probable bad debts that would normally have been uncollectible by **You**;
 - (iii) all unearned interest and service charges; and
 - (iv) settlement or term discounts normally allowed.

We will not pay more than the **insured amount** for 'Outstanding Accounts Receivable' shown in the **policy schedule** for any one claim.

Item 4. Claim preparation and proving expenses

In addition to the amount payable under General Claims Condition 14(d) 'Claim preparation expenses' of this Policy, We will pay **You** up to the amount shown in the **policy schedule** for the costs of such reasonable professional fees as may be payable by **You** and other such reasonable expenses necessarily incurred by **You** and not otherwise recoverable, for preparation and negotiation of claims under this **policy section**.

Government incentives

The words **gross profit**, **revenue** and **weekly revenue** include the loss of any Government approved incentives, subsidies or market development allowances **You** are or would have been entitled to in relation to **Your business**. We will pay for the reduction in your **gross profits**, **revenue** or **weekly revenue** in relation to your **business** where such interruption results from the loss of Government approved incentives, subsidies or market development allowances to which **You** would have been entitled.

New business

In the event of **damage** occurring at the **premises** before the completion of the first year's trading of **Your Business**, the defined terms 'Annual Turnover', 'Rate of Gross Profit', 'Standard Turnover', 'Annual Revenue', 'Standard Revenue', and 'Standard Weekly Revenue' shall instead have the following meanings wherever they appear in this **policy section**:

'Annual Turnover' means the actual **turnover** achieved during your first year of operations, from the commencement of your **business** to the date of the **damage**, converted to a 12-month equivalent figure.

'Rate of Gross Profit' means the proportion that the **gross profit** bears to the **turnover** during the period between the date of commencement of your **business** and the date of the **damage**.

'Standard Turnover' means the **turnover** achieved between the date of commencement of your **business** and the date of the **damage**, converted to the selected **indemnity period**.

'Annual Revenue' means the actual **revenue** achieved during your first year of operations, from the commencement of your **business** to the date of the **damage**, converted to a 12-month equivalent figure.

'Standard Revenue' means the **revenue** achieved between the date of commencement of your **business** and the date of the **damage**, converted to the selected **indemnity period**.

'Standard Weekly Revenue' means the amount calculated by averaging the **weekly revenues** obtained during the period from the date of the commencement of your **business** to the date of the **damage**.

The above definitions may be used as necessary to calculate the trend of your **business** and for variations in or other circumstances affecting **Your business** either before or after the **damage** or which would have affected **Your business** had the **damage** not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the result which but for the **damage** would have been obtained during the relative period after the **damage**.

Salvage sale

If, following **damage** giving rise to a claim under this **policy section**, **You** hold a salvage sale during the **indemnity period**:

(a) Clause (a) of Item 1 'Gross Profit' of this **policy section** shall, for the purpose of such claim, read as follows:

In respect of reduction in **turnover**: the sum produced by applying the **rate of gross profit** to the amount by which the **turnover** during the **indemnity period** (less the **turnover** for the period of the salvage sale) shall, in consequence of the **damage**, fall short of the **standard turnover**, from which shall be deducted the **gross profit** actually earned during the period of the salvage sale.

(b) The definition of **shortage in turnover** shall, for the purpose of such claim, mean: the amount by which the **turnover** during a period (less the **turnover** for the period of the salvage sale) shall, in consequence of the **damage**, fall short of the part of the **standard turnover** which relates to that period, from which shall be deducted the pay-roll paid out of the proceeds of the salvage sale.

Turnover output

Where 'Business Interruption' has been selected and in the event of **damage** giving rise to a claim under this **policy section**, at **Your** option, the term 'output' may be substituted for the term '**turnover**'.

Provided that only one such term ('**turnover**' or 'output') shall be operative in connection with any one event involving **damage**.

For the purpose of this **policy section**, 'Output' shall mean the sale and/or invoice value of goods manufactured and/or processed by **You** in the course of **Your** business at the **premises**.

If you select the cover available under this clause, the clause headed 'Alternative Trading' shall be altered to read as follows:

If during the **indemnity period**, goods are sold, work is performed or services are rendered elsewhere than at the **premises** for the benefit of **Your business** either by **You** or by others acting on **Your** behalf, the money paid or payable in respect of such sales, work or services will be brought into account in arriving at the **output** during the **indemnity period**.

Commercial motor cover section

About this policy section

This section covers **Your vehicles**. **You** can choose between three different types of cover for each **vehicle You** insure – Comprehensive; Legal liability, fire and theft and Legal liability only. The cover **You** have selected will be displayed next to each **vehicle** on the **policy schedule**.

The types of cover you can choose

There are three different types of cover for **vehicles**. Not all types of cover are available for all types of **vehicles**. The cover option **You** have chosen is shown on **Your policy schedule** and is detailed below.

Cover option	Description of cover provided
Comprehensive	Part 1, insured events 1 to 5 (inclusive) apply Part 2 applies
Legal liability, fire and theft	Part 1, insured events 1 to 4 (inclusive) only apply Part 2 applies
Legal liability only	Part 1 does not apply Part 2 applies

You can ask **Us** at any time to change the cover option for any **vehicle** and if **We** agree, there may be an additional premium or a refund of premium.

Cover for additional vehicles

We automatically provide cover for any additional vehicle **You** acquire, purchase or lease during the **period of insurance**. **You** must tell **Us** about the additional vehicle within 30 days of getting it and pay any extra premium **We** ask for.

If **We** are unable to continue covering the additional vehicle, **We** will tell **You** and give **You** 5 working days from the date **We** tell **You** so **You** can organise to insure the vehicle elsewhere. Cover on the additional vehicle will then end at 4pm 5 days after **We** have told **You We** are unable to continue covering the additional vehicle.

If **You** have only one type of cover option for **Your vehicles**, **We** will automatically provide that cover option for an additional vehicle **You** get during the **period of insurance** (unless **You** tell **Us You** want another cover option).

If **You** have **vehicles** insured with **Us** for more than one type of cover option, **We** will automatically provide the cover option with the better cover for an additional vehicle **You** get during the **period of insurance** (unless **You** tell **Us You** want another cover option).

The **insured amount** for any additional vehicle will be its **market value**. However, unless a higher amount is shown on **Your policy schedule** for additional vehicles or **We** have agreed to insure an additional vehicle that is similar for a higher amount, the most **We** will pay for an insured claim for **loss or damage** to an additional vehicle is:

- ▼ \$100,000 if **Your** vehicle is a motorcycle, caravan, car, 4WD, utility or van or not more than 2 tonne carrying capacity; or
- ▼ \$300,000 for any other vehicle type.

The most **We** will pay for a claim for **legal liability** arising from the use of the additional vehicle is the relevant amount stated in Part 2 of this Section.

Your insurance under this policy section

Part 1 – Loss or damage to your vehicle

What you are covered for under Part 1 – Loss or damage to your vehicle

Provided 'Commercial Motor' is shown under 'What's covered' in the **policy schedule** and **Your vehicle** is insured for Comprehensive or Legal liability, Fire and Theft Cover, **We** will pay for loss of or damage to **Your vehicle** occurring in Australia or its external territories during the **period of insurance** and caused by one of the following insured events.

1. Fire
2. Explosion
3. Lightning
4. Theft or attempted theft
5. Any other cause (no cover if the **vehicle** has Legal liability, Fire and Theft cover)

There are things **We** do not cover. See the General exclusions and:

- ▼ 'What **You** are not covered for under Part 1 – Loss or damage to **Your vehicle**' on page 93;
- ▼ 'When **We** will not pay a claim under this cover section Part 1 – Loss or damage to **Your vehicle** and Part 2 – Legal liability' on page 99 and 100.

What we pay

If **We** agree to pay a claim under Part 1, **We** will either pay **You** for a **partial loss** or a **total loss**. This is determined by the extent of the **loss** or **damage**, the cost of repair or replacement and the value of **Your vehicle**.

If **We** agree to pay a claim for **legal liability** under any Additional Benefit in this Part, the 'Limits to what We pay' in Part 2 of this cover section will apply.

Total loss

If **We** accept a claim and decide **Your vehicle** is a **total loss** and the conditions applying to Extra Cover 1 - 'New vehicle after total loss' are met **You** can choose to accept a new replacement vehicle of the same make, model and series as **Your vehicle**.

If Extra Cover 1 - 'New vehicle after total loss' does not apply **We** will settle **Your** claim in one of the following ways:

(a) Market value or insured amount

If the **vehicle** is shown on the **policy schedule** as having a **market value**, and the **insured amount** does not show a figure in dollars, **We** will pay **You** the **market value** of **Your vehicle**.

If the **vehicle** is shown on the **policy schedule** as having a **market value**, and the **insured amount** does show a figure in dollars, **We** will pay **You** the lesser of the **market value** or the **insured amount**.

The **market value** or **insured amount** of **Your vehicle** includes accessories defined as **Your vehicle** plus any agreed accessory specified on **Your policy schedule**.

We will deduct any **excess** that is payable from the amount **We** pay.

If **We** pay the **market value** or **insured amount** as a result of a **total loss** then **Your** cover for that **vehicle** comes to an end. There will be no refund of premium.

(b) Agreed value

If the **vehicle** is shown on the **policy schedule** as having **agreed value**, **We** will pay **You** the **agreed value** shown on the **policy schedule** for **Your vehicle**. This **agreed value** for **Your vehicle** includes accessories defined as **Your vehicle** plus any agreed accessory specified on **Your policy schedule**.

The **agreed value** shown on **Your policy schedule** is the most **We** will pay for theft, **loss** or **damage** to **Your vehicle**.

We will deduct any **excess** that is payable from the **agreed value**.

If **We** pay **You** for a **total loss** of **Your vehicle** then **Your** cover for the **vehicle** comes to an end. There will be no refund of the premium.

(c) Legal liability, fire and theft

If the **vehicle** is shown on the **policy schedule** as having Legal liability, Fire and Theft cover, **We** will pay **You** the **market value** or the **insured amount** for **Your vehicle** whichever is less. The **market value** of **Your vehicle** includes accessories included within the definition of **vehicle** plus any agreed accessory specified on **Your policy schedule**.

We will deduct any **excess** that is payable.

If **We** pay the **market value** or **insured amount** as a result of a **total loss** then **Your** cover for that **vehicle** comes to an end. There will be no refund of the premium.

Applicable to (a), (b) and (c):

We will deduct all applicable **excesses** and any unpaid premium from the amount that **We** pay **You**.

Your vehicle, including any unexpired premium, registration and Compulsory Third Party insurance, becomes **Our** property when **We** pay **You** for the **total loss**. If **You** make a claim and another party is entitled to the salvage of **Your vehicle**, **Our** estimate of the salvage value will be deducted from the amount **You** are entitled to under this **policy**.

If another party (eg. a bank) is shown as having an interest on **Your policy schedule** and **Your vehicle** is a **total loss**, **We** pay them (instead of **You**) what **You** owe them up to the amount **You** are entitled to under this **policy**. If this amount is less than the full amount payable under the **policy**, **We** pay **You** the balance.

For an example of how **We** may settle a total loss claim, see page 101 of this **policy**.

Partial loss

If **We** agree to pay a claim and decide **Your vehicle** is a **partial loss**, **We** can arrange the repairs with a **recommended repairer** if one is available, or alternatively **You** can choose **Your** own repairer and arrange repairs with them.

Where **We** are able to provide **You** with access to one of **Our recommended repairers**, **We** will offer **You** a choice if there is more than one in **Your** area. However, **We** may only be able to nominate one **recommended repairer** if there are no others available.

Where **We** are unable to provide **You** with access to one of **Our recommended repairers**, **We** will require **You** to choose **Your** own repairer.

If **We** authorise repairs with a **recommended repairer** or **Your** own repairer **We** will:

- ▼ authorise the repair of **Your Vehicle** to the same or reasonably similar condition and standard it was immediately before the **event**;
- ▼ authorise only the use of new parts or parts which are consistent with the age or condition of **Your vehicle** (which may include using non genuine and/or recycled parts);
- ▼ authorise only the use of manufacturer's approved parts if **Your vehicle** is under warranty, but not when the **vehicle** has an extended warranty or for windscreen replacement;
- ▼ only pay the **market value** of damaged parts **We** consider to be obsolete;
- ▼ replace damaged windscreen or window glass with glass which may not be produced by the original manufacturer but will meet Australian Design Rules; and
- ▼ guarantee the quality of materials and workmanship in respect of the repairs for the life of the **vehicle**.

Any repairer **We** authorise to repair **Your vehicle** may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs themselves.

If **You** choose **Your** own repairer and **We** do not authorise repairs, **We**:

- ▼ will pay an amount equal to the **reasonable repair costs**; and
- ▼ will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

We are not responsible for the costs or losses which occur because of delays in delivery of parts. If a part is not available in Australia, **We** will pay the cost of surface freight from the nearest reasonable source of supply.

You are responsible for the cost of any air-conditioning refit, re-gas or modification required by law.

You may have to contribute to the cost of replacing or repairing tyres, engines, accessories, paintwork, bodywork, radiators, batteries, interior trims, or caravan annexes affected by wear and tear or rust and corrosion. How much **You** are required to pay will depend on how worn **We** consider these items were when the **damage** happened.

If **You** do not agree to pay these amounts **We** will pay **You** the **reasonable repair costs** less any contribution charges.

We will subtract any **excess** that may apply.

For an example of how **We** settle a partial loss claim see page 102 of this **policy**.

Policy section Part 1 conditions

Lifetime guarantee for repairs

If **We** authorise repairs for **Your vehicle**, **We** will guarantee the repairs against any defect due to workmanship or faulty material for the life of **Your vehicle**.

If **You** choose **Your** own repairer and **We** pay **reasonable repair costs** instead of authorising repairs, **We** will not provide a lifetime guarantee for the repairs.

Underinsurance condition

If at the time of the **event**, **Your vehicle** was insured for less than 80% of its **market value** and **We** decide **Your vehicle** is:

- ▼ a **total loss**, **We** will not apply this underinsurance condition.
- ▼ a **partial loss**, **We** will pay the same proportion of the **loss** as the **insured amount** bears to 80% of the **market value** of **Your vehicle**.

In assessing the amount **We** pay, prime movers and attached trailers and dollies are regarded as separate and distinct insured **vehicles**.

The underinsurance condition does not apply if **Your vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity.

How you earn a No Claim Bonus

A No Claim Bonus recognises **Your** good driving and claims history record where **You** are insured for comprehensive cover.

Your policy schedule will show the type of No Claim Bonus **You** are entitled to (if any), and **Your** premium will be charged accordingly.

If **You** are not entitled to a maximum No Claim Bonus, **You** will earn an entitlement to a bonus for the next **period of insurance** if there has been no claims that fall within the definition of a **penalty claim**.

The following will apply if **You** qualify for a No Claim Bonus:

For sedans, station wagons, 4 wheel drives or goods carrying vehicles with a carrying capacity of 2 tonne or less:

If **You** are entitled to a maximum No Claim Bonus of 65% for sedans, station wagons, 4 wheel drives, or goods carrying vehicle with a carrying capacity of not more than 2 tonne, **We** may allow **You** to have the option when **You** first take out the **policy**, or upon renewal, to protect **Your** No Claim Bonus for that **vehicle**. An additional premium is payable to extend the **policy** to include this option.

How making a claim could affect your No Claim Bonus

If **You** do not lodge a penalty claim

If **You** did not lodge a **penalty claim** during the **period of insurance**, then **Your** No Claim Bonus will not be detrimentally affected at renewal of **Your policy**.

Windscreen claims

When **You** renew **Your policy**, **Your** No Claim Bonus will not be affected by any windscreen or window glass claims **You** make.

Other claims

When **You** renew **Your policy**, **We** reduce **Your** No Claim Bonus for each **penalty claim** **You** have made during the **period of insurance** unless **You** have selected the protected No Claim Bonus optional cover.

If **You** have selected the protected No Claim Bonus optional cover for **Your vehicle** involved in a claim, **We** will not count that first **penalty claim** on that **vehicle** during the **period of insurance**.

The amount **We** reduce **Your** No Claim Bonus to, is set out below:

For sedans, station wagons, 4 wheel drives or goods carrying vehicles with a carrying capacity of less than 2 tonnes:

3. loading goods onto **Your vehicle** from a fixed place of rest directly beside **Your vehicle**;
4. unloading goods off **Your vehicle** to a fixed place of rest directly beside **Your vehicle**; or
5. a passenger who was in **Your vehicle** with **Your** permission, while travelling or getting in or getting out of **Your vehicle**.

What we pay

If **We** agree to pay a claim for **legal liability** under Part 2, **We** will pay:

- ▼ the compensation;
- ▼ legal costs and expenses if **We** have given **Our** prior written consent to **You** incurring these costs;
- ▼ costs and charges reasonably and necessarily incurred by **You** in removing or cleaning up debris unless stated otherwise; and
- ▼ costs and charges reasonably and necessarily incurred to extinguish a fire that **Your vehicle** has caused.

We will also pay for legal costs in representing **You** or any other person covered at any inquest or other inquiry relating to an **event** which may give rise to **You** being **legally liable**, if **We** have given **Our** prior written consent to **You** incurring these costs.

You must pay any **excess** that may apply.

For an example of how **We** may settle a liability claim, see page 102 of this **policy**.

Limits to what we pay

If **We** agree to pay a claim for **legal liability**, the most **We** will pay for all claims arising directly or indirectly from an **event** is \$30 million (unless another amount is specified on **Your policy schedule**) but restricted to:

- ▼ \$1,000,000 for any one **event** occurring within the external territories of Australia, but only in respect of the death and bodily injury to another person;
- ▼ \$1,000,000 (unless another amount is specified on **Your policy schedule**) where **Your vehicle** is being used for the transportation of **dangerous goods** or is attached to, or is towing, a vehicle used for the transportation of **dangerous goods**; and
- ▼ \$500,000 in respect of all **events** occurring during the **period of insurance** and giving rise to a claim under the Additional Benefit 1 – 'Pollution' under Part 2.

These amounts include all legal costs and expenses.

These limits also apply to any cover for **Your legal liability** provided under any Extra Cover, Additional Benefit or **endorsement** unless a lower limit is specified in the cover, benefit or any **endorsement**.

These limits are the most **We** will pay even if there are several claims against **You** relating to the one **event**.

Extra covers to Part 2 – Legal liability

We will also provide the following Extra Covers in this section, subject to the General and section exclusions and the policy terms and conditions:

1. Damage by uninsured drivers

Applicable if **Your vehicle** is insured for Legal liability, Fire and Theft or Legal liability cover only.

We cover **loss** of or **damage** to **Your vehicle** during the **period of insurance** in an **event** as a result of a collision with another vehicle driven by an uninsured driver within Australia or its external territories.

A driver is uninsured if neither the driver nor the owner of the other vehicle had an insurance policy that would cover them for the **loss** or **damage** to **Your vehicle**.

We only pay if:

- ▼ **You** show the **event** was the fault of the uninsured driver and **We** agree; and
- ▼ **You** can identify the other vehicle and its driver (name, residential address, phone number and registration details).

We will pay for the cost of repairs but will not pay more than \$5,000 or the **market value** of **Your vehicle** (whichever is less), for **loss** of or **damage** to **Your vehicle** during any one **period of insurance**.

We will deduct:

- ▼ any **excess** that may apply to **Your vehicle**, and
- ▼ the salvage value of the **vehicle** if it is not repairable (**You** keep the damaged **vehicle**), and any unpaid premium. There is no refund of premium.

2. Emergency services

If **We** agree to pay a claim under Part 1 or Part 2 of this section during the **period of insurance**, **We** will pay the reasonable costs and charges levied by the police force or any fire brigade or other authority due to **Your vehicle** causing the attendance of a member of the:

- ▼ fire brigade or authority for the purpose of fire extinguishment or other purposes; and/or
- ▼ police force;

at the accident site.

Additional benefits to Part 2 – Legal liability

We will also provide the following Additional Benefits in the section, subject to the policy terms and conditions, the General and section exclusions including the exclusions in Part 1 and Part 2 of this section and any **endorsement**. - ▼ is caused by or in connection with the operation, ownership, possession or use by **You** or on **Your** behalf of any **vehicle**;
- ▼ is caused by a sudden identifiable unintended and unexpected **event**;
- ▼ takes place in its entirety at a specific point in time during the **period of insurance** and within Australia or its external territories; and
- ▼ does not relate to any property, land, air, water course or body of water which **You** own, occupy or have in **Your** custody or control.

We will also only pay for clean up or removal costs if they are caused by such an incident within Australia or its external territories.

We do not pay for:

- ▼ amounts **You** must pay which are covered, or should be, by Medicare, workers compensation or another government scheme or arrangement, or private medical insurance; or

However this exclusion does not apply to Additional Benefit 1 - 'Pollution'.

16. Other exclusions

for anything excluded by any other exclusions in Part 1 or Part 2 in this **policy section**.

Excess

An **excess** is the amount **You** might have to pay if **You** claim. **Excesses** are cumulative and apply to all claims, unless otherwise stated. If **You** also claim under another cover section for one **event** the **excesses** payable under this cover section apply in addition to all other **excesses**.

For each **event**, or series of **events** arising from the one originating cause **You** will bear the amount of the **excess** in respect of each and every insured **vehicle**, unless stated otherwise.

The basic **excess** is shown on **Your policy schedule**. The amounts for any other **excesses** (or where the amounts can be found in this **policy**) are detailed below on pages 97 and 98. **You** might have to pay more than one type of **excess** when **You** claim. **You** must pay the **excesses** in full.

We will decide if **You** pay the **excess** to **Us** (when **We** ask for it) or to the repairer when **You** pick up **Your vehicle** after it has been repaired. **We** can also choose to deduct the **excess** from the amount **We** pay **You**.

You don't pay any **excess** when **Your vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity and:

- ▼ another vehicle is involved in the **event**, and **We** agree the driver of **Your vehicle** was not at fault, and **You** can identify the other vehicle and the other driver responsible (name, residential address, phone number and vehicle registration details); or
- ▼ no other vehicle is involved in the **event**, and **We** agree the driver of **Your vehicle** was not at fault, and **You** can identify another person at fault (name, residential address and phone number) and prove that they were at fault.

Types of excesses

Basic excess

Basic **excess** is the amount shown on **Your policy schedule** and applies to all claims unless otherwise stated.

Age or inexperienced drivers excess

An age or **inexperienced driver excess** applies if a driver under 25 or an **inexperienced driver** was in charge of **Your vehicle** at the time of an **event**. This **excess** will not apply to glass only, damage while parked, fire, malicious damage, theft or storm claims.

If **We** accept a claim where the driver was less than 25 years of age or was an **inexperienced driver**, the following age or **inexperienced driver excesses** will apply to the claim when:

- ▼ the **vehicle** is a car, 4WD, utility or van not exceeding 2 tonne carrying:
 - ▼ for drivers under 21 years of age \$500;
 - ▼ for drivers 21 years of age or older \$300;
 - ▼ for **inexperienced drivers** \$250.
- ▼ the **vehicle** is a prime mover and:
 - ▼ the **insured amount** for the prime mover is less than \$100,000 or it is insured for Legal liability only – the age or **inexperienced driver excess** is \$2,500, or \$3,500 if the prime mover was towing more than one trailer at the time of the **event**.
 - ▼ the **insured amount** for the prime mover is \$100,000 or more, but not more than \$200,000 – the age or **inexperienced driver excess** is \$10,000, or \$15,000 if the prime mover was towing more than one trailer at the time of the **event**;
 - ▼ the **insured amount** for the prime mover is more than \$200,000 – the age or **inexperienced driver excess** is \$25,000, or \$37,500 if the prime mover was towing more than one trailer at the time of the **event**;
- ▼ the **vehicle** is not a car, 4WD, utility, van not exceeding 2 tonne carrying capacity or prime mover the age or **inexperienced driver excess** is \$750.

You must pay the age or **inexperienced driver excess** in addition to any other **excess** for **Your vehicle** that may be payable. For the purposes of the application of the age or **inexperienced driver excess**, a dolly is considered a trailer.

Tipping excess

A tipping **excess** applies if **Your vehicle** is a trailer or rigid body truck and it is **damaged** while the tipping hoist is partly or fully extended. The tipping **excess** is \$1,000 and **You** pay this in addition to any other **excess** payable for **Your vehicle**.

Theft excess

A theft **excess** of \$2,500 applies to the each claim for theft or **damage** occasioned by theft of:

- ▼ **Your** skid steer loader, excavator, loader, backhoe or bobcat; or
- ▼ any of their accessories, whether these accessories are attached to **Your vehicle** at the time of the theft or **damage** or not.

You pay this in addition to any other **excess** for **Your vehicle** that may be applicable.

Endorsement excess

An **endorsement excess** may apply if **You** have **endorsements** to **Your policy**. Any **endorsement excess** applicable to **Your policy** will be shown in the **endorsement** wording.

You pay the **endorsement excess** shown in the **endorsement** wording in addition to any other **excess** for **Your vehicle** that may be payable.

Radius excess

A radius **excess** applies if **We** accept a claim for **loss** or **damage** to **Your vehicle** or **legal liability** and at the time of the **event**, **Your vehicle** was on a journey to or from a destination beyond the maximum radius of operation shown on **Your policy schedule** measured from **Your vehicle's** garaged postcode shown on **Your policy schedule**.

The radius **excess** is:

- ▼ \$500 if **Your vehicle** is a truck or bus;
- ▼ \$2,500 if **Your vehicle** is a trailer which at the time of the **event** was being towed by a prime mover or \$500 if being towed by a truck; or
- ▼ \$7,500 if **Your vehicle** is a prime mover.

You pay the radius **excess** in addition to any other **excess** for **Your vehicle** that may be payable.

Additional benefit excesses

Please refer to pages 90 to 92 for the amount of any **excess** **You** might have to pay if **You** make a claim under any Additional Benefit in Part 1 of this section.

Application of excess involving trailer and towing vehicle

If a trailer being towed by **Your vehicle** damages the property of another person and:

- ▼ only the trailer was **damaged**, the **excess** for the towing **vehicle** will apply; or
- ▼ there is no **damage** to either the trailer or towing **vehicle**, the **excess** for the towing **vehicle** will apply.

When we will not pay a claim under this cover section

Part 1 – Loss or damage to your vehicle and Part 2 – Legal liability

1. **You** are not covered under this cover section for an **event** occurring when **Your vehicle** is being driven by, or is in the charge of, someone who:

- ▼ was under the influence of, or had their judgement affected by, any alcohol or drug;
- ▼ had more than the legal limit of alcohol in their breath or blood, as shown by analysis;
- ▼ refused to take a test for alcohol or drugs; or
- ▼ was not licensed, not correctly licensed or not complying with the conditions of their licence.

We will cover **You** if **You** were not the driver or person in charge of **Your vehicle** at the time of the **event** and **You** can satisfy **Us** that **You** did not know, and could not have reasonably known, of any of the above circumstances.

If **We** pay a claim **We** can recover those costs from the person who was driving or in charge of **Your vehicle**, unless the law prohibits recovery by **Us**.

2. **You** are not covered under this Cover Section:

- ▼ if **You** or an **authorised driver** does something or neglects to do something that is not in accordance with this **policy** or does not give **Us** the information or assistance that **We** ask for;
- ▼ for theft of or malicious damage to **Your vehicle** when anyone insured under this **policy** has not taken reasonable care to prevent this **loss** or **damage**;
- ▼ for financial loss:
 - ▼ occurring because **You** cannot use **Your vehicle**;
 - ▼ because **Your vehicle's** value was less after being repaired; or
 - ▼ because **Your vehicle's** working life has been reduced;
- ▼ for **loss** of or **damage** to a drill rod or bit attached to **Your vehicle** while the drill rod or bit is being used for its designed purpose. For the purposes of this exclusion, a drill rod or bit includes any part attaching to or forming part of the drill rod or bit including but not limited to pipes, guides, filters, gaskets, plugs, caps, beacon housings, tool heads, nozzles and/or any other electronic mechanism;
- ▼ for the cost to repair or replace burnt out electric motors or wiring of appliances in **Your** caravan;
- ▼ for **damage** to **Your** caravan, caravan annexe, trailer or **personal effects** caused by biting, chewing or scratching by an **animal** or bird;
- ▼ for **damage** to **Your** caravan, caravan annexe or **personal effects** caused by any tenant;
- ▼ if **Your** unregistered on-site caravan is unoccupied for 60 consecutive day. (If **You** want cover over 60 days, **You** need to ask **Us** for an extension of time and **We** must agree in writing. **We** might charge an extra premium or impose special terms.);
- ▼ for **loss** or **damage** to **Your** caravan caused by the sea or high water;
- ▼ for **loss** or **damage** or **legal liability** caused or contributed to by or arising from any biological, bacterial, viral, germ, chemical or poisonous **contaminants** or **pollutants** (except for any cover provided under Additional Benefit 1– 'Pollution' on page 95) or any looting or rioting following these occurrences;
- ▼ for theft by anyone who has hired or leased **Your vehicle** or who has taken it as security for a debt;
- ▼ for any **loss**, **damage** or **legal liability** caused by any person or organisation who lawfully destroys or takes away **Your** ownership or control of any property or **vehicles** covered under this section;
- ▼ for any **loss**, **damage** or **legal liability** which happens before the **period of insurance** or which arises from an **event** before the **period of insurance** starts unless specifically stated otherwise;
- ▼ for an **event** that occurs outside of Australia or its external territories.

3. **We** will not pay a claim for **loss**, **damage** or **legal liability** under this section:

- ▼ if another person is, or could have been, liable to compensate **You** for such **loss**, **damage** or **legal liability**, but **You** have agreed with that person either before or after the **loss**, **damage** or **legal liability** occurred that **You** would not seek to recover any moneys from that person;
- ▼ if the **event** that is the subject of the claim was intentionally or recklessly caused by **You** or the driver of **Your vehicle** or someone acting with **You** or their express or implied consent; or
- ▼ if excluded by an **endorsement**.

4. **You** are not covered under this cover section for an **event** occurring when **Your vehicle** was:
- ▼ damaged, unsafe or unroadworthy. However, this exclusion will not apply if **You** prove that the unroadworthy or unsafe condition of **Your vehicle**:
 - ▼ did not cause or contribute to the **loss, damage or legal liability** being incurred; or
 - ▼ could not reasonably have been detected by **You**;
 - ▼ being used in a race, contest, trial, test, hill climb or any similar activity;
 - ▼ being used on a competition race track, circuit, course or arena;

 - ▼ conveying, towing, lifting or carrying a load not secured according to law;
 - ▼ conveying, towing, lifting or carrying a load in excess of that which it was designed for or is allowable according to law;
 - ▼ being used to move dangerous goods or substances that pollute or contaminate unless this was done legally;
 - ▼ travelling on railway lines; or
 - ▼ being operated, transported or driven in an underground mine or mining shaft (but **We** will cover **You** if **Your** vehicle was being used for open cut mining).

Worked dollar examples

The following worked dollar examples are designed to assist in the understanding of some of the important benefits in this section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of **Your** policy terms and conditions. The following should be used as a general guide only. **You** should consider all examples as each example covers different benefits and scenarios.

Example: Total loss – market value

A car that has a carrying capacity of not more than 2 tonnes is comprehensively insured for **market value**. The basic **excess** is \$500. The **vehicle** is **damaged** in an accident and **We** assess the cost of repair to be \$20,000.

The **market value** is determined as follows:

The vehicle is an 8 year old sedan in poor condition. A motor vehicle guide records the value is \$20,000 for good condition. **We** assess the **market value** to be \$15,000 (GST inclusive).

The **vehicle** contains no modifications or accessories and **We** decide it is a **total loss**.

How much we pay		Further information
Market value	\$15,000	The vehicle is a total loss with a market value of \$15,000. We normally decide a vehicle is a total loss if the complete repair cost exceeds its market value less salvage value.
Less ITC	- \$1,364	If You are registered for GST and entitled to an Input Tax Credit (ITC) We will deduct this entitlement. In this example You are entitled to a full Input Tax Credit (100%). We will not deduct this entitlement if Your vehicle is insured for agreed value .
Less outstanding premium	- \$300	If You paid Your insurance by pay by the month instalments, We will deduct the remaining instalments for the period of insurance . In this example, there are three \$100 per month instalments remaining when the total loss occurs.
Less excess	- \$500	Only the basic excess applies in this example. We deduct this from the amount We pay to You .
Total claim	\$12,836	We would normally pay this amount directly to You in a total loss situation.
Plus lease payout	\$2,200	If, instead of owning Your vehicle outright, Your vehicle was purchased under a finance lease and the amount owing was \$17,200 (excluding any payments in arrears and resulting interest), We will pay the difference between the amount owing under the finance arrangement and the market value (\$17,200 - \$15,000). This Extra Cover has a limit of 20% of the market value (\$3,000).
Less ITC	- \$200	In this example You are entitled to a full Input Tax Credit (100%).
Total claim	\$14,836	We would normally pay the claim directly to Your financier and not to You in circumstances of a lease payout. You pay Your financier any amounts left owing.

If the vehicle in the above example was less than 2 years old at the time of the **event**, instead of paying the claim above **You** can choose to accept a replacement vehicle including similar accessories and parts plus on-road costs e.g. registration, compulsory third party, pre-delivery. **You** must pay the **excess** to the dealership that has provided the replacement vehicle or **Us**.

If the vehicle salvage is valued at \$1000, the salvage becomes **Our** property and **We** are entitled to keep the \$1000 proceeds of its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless **You** obtain these refunds directly in which case **We** will deduct these amounts from the total claim above.

Example: Repair – agreed value

A utility that has a carrying capacity of not more than 2 tonnes is comprehensively insured for an **agreed value** of \$20,000. The basic **excess** is \$500. The **vehicle** is stolen and subsequently recovered, **damaged**, 25 days later.

We assess the cost of repairs to be \$5,500.

How much we pay		Further information
Damage to vehicle	\$5,500	We normally decide a vehicle is repairable if the cost of repairs is significantly less than the insured amount (in this example the insured amount is the agreed value of \$20,000).
Less excess	- \$500	Only the basic excess applies in this example. We normally require You to pay the excess directly to the repairer.
Total claim	\$5,000	We would normally pay this amount directly to the repairer.
<i>If personal effects to the value of \$350 are also stolen during the theft:</i>		
Plus personal effects	+ \$350	Personal effects cover is limited to \$1,000 per event . This Extra Cover's sub-limit is in addition to the \$20,000 agreed value limit for Your vehicle .
Total claim	\$5,350	We normally pay the \$350 for personal effects to You (and the remaining \$5,000 directly to the repairer).
<i>If a replacement vehicle of a similar type for a cost of \$100 per day is arranged by Us:</i>		
Plus vehicle hire cost	+ \$2,500	The cost per day times the number of days from the date of theft until the date of recovery is 25 x \$100. This Extra Cover has a limit of up to 30 days and We will not pay more than \$3,000. Note: This Extra Cover would not apply if the vehicle was damaged in an accident instead of stolen, unless You also selected Optional Benefit 2. 'Rental vehicle following accident'.
Total claim	\$7,850	We normally pay the \$2,500 for vehicle hire directly to the hire company (the \$350 to You and the \$5,000 to the repairer).

Example: Legal liability

A **vehicle** is insured for Legal liability cover. The **vehicle** is involved in an accident and the other driver claims that the driver of **Your vehicle** has a legal liability for the accident. The **damage** to the other vehicle would be assessed by a court at \$12,500. There is a basic **excess** of \$500 on **Your policy**. The legal costs to defend **Your legal liability** are \$3000.

How much we pay		Further information
Damage to other vehicle	\$12,500	We normally pay the cost of repairs directly to the third-party claimant.
Less excess	- \$500	Only the basic excess applies in this example. We normally require You to pay this amount to Us before We act on Your behalf.
Plus Our legal costs	+ \$3,000	We incur and do not charge You for these costs providing You have paid Your excess prior to legal costs being incurred.
Total claim	\$15,000	
<i>If the driver of Your vehicle was not at fault and the driver of the other vehicle was at fault but was not insured, and You provide Us with the details of the other driver. The basic excess is \$500. For the purposes of this example it is assumed that Your vehicle is not comprehensively insured:</i>		
Damage by uninsured drivers additional Cover	\$4,500	Your vehicle is not covered for own damage because Legal liability Only cover was purchased. However, the 'damage by uninsured drivers' Extra Cover provides limited cover in these circumstances for up to \$5,000. For the purposes of this example, We assess that the damage to Your vehicle will cost more than its market value of \$4,500. We decide it is not repairable.
Less ITC	- \$409.09	If You are registered for GST and entitled to an Input Tax Credit (ITC) We will deduct this entitlement. In this example You are entitled to a full Input Tax Credit (100%).
Less excess	- \$500	Only the basic excess applies in this example. We deduct this from the amount We pay You .
Less residual value of wreck	- \$500	The remaining value of Your damaged vehicle . We deduct this from the amount We pay You .
Total claim	\$3,090.91	We normally pay this directly to You . You will keep the damaged vehicle.
